Galt Man Tried to End Life

Alexander Winton, a married man

about 42 years of age, who lived with

his brother, James Winton, 95 Cedar

Street, Galt, tried to commit suicide

by cutting his throat with a razor.

He was afflicted with what the doctors

declare to have been a fit of temporary

insanity while shaving, and after threat-

ening his wife and chasing her and a

sister-in-law from the house, he re-

turned and gashed his throat from ear

to ear. A short time previously his

actions had caused his wife to telephone

the police, and when the constable and

a doctor arrived the man was in a

semi-conscious condition from loss of

blood. He was rushed to the hospital,

where 30 stitches were required to close

Egg  
Preserver

The Water Glass process of preserving eggs has been recommended by leading agricultural colleges. We would suggest you buying in a stock of this egg preserver and commence laying aside your eggs for the time of scarcity. Summer prices are always considered much less on this edible commodity than in the winter. Therefore, it is a good investment to buy Water Glass.
