Village des Aulnaies, Co. P^lislet, P^q.

Quebec, July 4th, 1891.

QUEBEC.

Sir,—In accordance with your instructions I have the honor to report:

That I paid a visit to the nursery of Mr. Auguste Dupuis, Village des Aulnaies, Co. P^lislet.

The nursery being situated on the south bank of the St. Lawrence, 71 miles N. E. of Quebec, affords the best means of observing the varieties of fruits and ornamental trees adapted to the climate of the Eastern portion of the Province.
