MOODY'S KLENZINE

What KLENZINE means to the KLENZINE MAID—Housework made easy

"Good morn'g, Nellie, why that happy smile?"

KLENZINE MAID.—"See that package of Klenzine, Postie. That's the reason. Mistress bought it yesterday and it works like magic. Look at the polish on that window. I did not rub hard at all—it just cuts my work in half. If you see any of the maids toiling their lives out, tell them about Klenzine. It makes housework so easy."

MOODY'S KLENZINE simply banishes drudgery. It is a Compound Ammonia Powder with surprising cleansing power—does most of the work and requires but little muscular effort from you.

MOODY'S KLENZINE cleans everything—makes the clothes snowy white, puts a beautiful polish on china and glassware and keeps the kitchen clean, sweet and free from germs—a valuable disinfectant.

Try it in the bath—delightfully refreshing. Contains Ammonia in its purest form

Your Grocer carries it—large size package 10c. You need it to-day
