

How surveys
shall there-
after be made.

III. From and after such Survey being effected, and the maps and reports thereof being deposited as aforesaid, every survey which may be made of any line for side road allowance, which may not have been opened previous to the passing of this Act, or any division line or limit between Lots in the said Township, shall be drawn from the post or monument planted in the Original Survey at the front angle of such road allowance, or to mark the commencement of such line or limit; or should such original post or monument be lost, and no satisfactory evidence exist of the position of the same, the Surveyor shall proceed as in other similar cases under the law in this behalf; the proper angle at the rear shall then be determined by giving the Lots in that particular block between the monuments planted in the Survey provided in the second section of this Act, to mark the side roads on either side thereof, the same width in proportion as they respectively possess on the front, as found in the manner above pointed out, and the required line of side road allowance or division line or limit shall be drawn through the concession from point to point so found, and all lines for side road allowance or division lines or limits so determined shall be taken to be, and the same are hereby declared to be the true lines and limits thereof, any law or usage to the contrary in anywise notwithstanding.

Surveys of
aliquot parts
of Lots.

IV. The boundaries or limits of any aliquot portion of a Lot in any concession of the Township shall be determined by giving such portion the proportionate length and width of the whole Lot, as the latter shall have been ascertained in the manner directed by this Act.
