

RED STICK HURT

Late Thursday afternoon the ladies field hockey started their regular season opener here at Chapman Field against the Moncton Blue Angels.

The team will be without their star goaltender Sheila Bell who tore her aducer tendon while practising with the National Junior Team.

She will no doubt be out for at least the first part of the season and will hopefully be back for the playoffs.

The final score was Red Sticks 1 and Blue Angels 0.

FOOTBALL POSTS

To all you guys in residence and faculties who play touch football, if you haven't noticed yet, they have moved the goal posts so as to keep people from running into the parking lot to catch a touch-down. I don't know how long this took, but it's about time.
