

MORRIS LAMONT/THE TIMES

Rock stars

The Aggregate Producers of Ontario presented a plaque to Erindale College last week to recognize the transformation of the college's grounds from a former gravel pit. The plaque was mounted, fittingly, in a boulder. Paul Fox, principal of Erindale College, polishes up the plaque while Frank J. DeWitt, president of the Aggregate Producers, looks on.

Mr. Sayer, a 57-year-old father of three, won a \$25,000 prize in the draw. He is a superintendent with CP Rail and plans to invest the money.
