At your Wedding Reception the last thing you want to bump into is...

Another Wedding Party!

It happens. Somehow the timing gets off schedule and a wedding party on its way out runs smack into one coming in. It happens at those places that cater to numerous receptions in a day. Not so at the Toronto Airport Hilton. We try to keep it to one at a time. That way we are better able to provide excellent service, and you will enjoy every moment of that very important function. There are so many other ways we provide service to wedding parties; you'll probably be surprised at our attention to the most minute detail. Our Banquet Manager would be delighted to tell you all about all of them. Why not give him a call at 677-9900? And when you do, remember to ask about our special Honeymoon Package.
