Sir:-

We have been advised by our District Surveyor that in connection with the making of a survey of road from Oluny South to the N. E. $\frac{1}{4}$ Sec. 16, Tp. 20- 21- 4, he found that the southern half of said township had been subdivided, and understands at a later date the northern half of same township has been subdivided by your Department. Our Surveyor proposed following the projected road allowance through Tp. 20- 21- 4 adjoining the East boundaries of Secs. 4, 9, 16, 21, 28 & 35. I would be glad to hear from your Department as to whether you have subdivided this township, and if so I would like to have a plan of the subdivision if at all possible. Would you advise as to whether this land has been subdivided for Indian purposes, or is it proposed to surrender same?

Your obedient servant,
