

Montreal 21th April 1800

Sir,

I have received your letter of the 10th Instant
 Inclosing a List of Goods remaining in the Indian Store of Montreal,
 considered Damaged, and unfit for Indians, which shall be
 forwarded, with such other Goods as the Store can furnish with-
 out loss of time, Agreeably to His Excellency's Desire - I would
 however be leave to remark that, without the Goods expected
 from England, there will be a very small Assortment, not
 enough for one Post, but they can be forwarded to where they
 will be most Wanted, and those expected may follow to the
 nearest Posts, were they will be least Wanted at present -

No Invoice has been received of the Goods that arrived
 last Autumn -

I have the honor to be
 Sir, your obedient Servant
 John Johnson,
