

"fully understand the great questions we have
"to ask of you, and to which we expect an ex-
"plicit answer in writing.

"Brothers, you are sent here by the United
"States in order to make peace with us the con-
"federate Indians—

"Brothers.... you know very well that the
"Boundary line ++ which was run between the
"White People and us at the Treaty of Port-
"Mauwix, was the River Ohio"

"Brothers... we therefore ask you — are you fully
"authorized by the United States, to continue
"and firmly fix on the Ohio River as the
"boundary line between your people and
"ours?"

Brothers.... The Deputies here present.
We have now repeated the words contained
in the paper which you delivered to us;
and those words have been interpreted to
your idea of the contents of the paper. It
