907-915 WINDSOR STREET
Opposite Windsor Station—One Block from C.N.R. Stations

*Carefully, like I can only
write that way - I have neither
the time the means, nor the
authorities to refer to
for my arguments or
conclusions.*

*We will take the tax on
exchange - I claim it would
be better and preferable
to make it a tariff tax
to overcome the exchange.*

*As to the handling of
wheat Gardner is
all wrong - I believe
wheat is a better asset*
