If the States Members hesitate to enforce international justice on account of the aggressor's threats, what is the use of the Covenant?

By a unanimous vote, the League of Nations found six months ago that the Italian Government had violated without any justification the treaties which it had freely concluded with Ethiopia, and had refused to be a party to any pacific procedure. The Ethiopian Government asks the League not to stultify its own judgement.

I have the honour, etc.,

(Signed) WOLDE MARIAM,

Ethiopian Minister at Paris.
