## Looking Backward

Windsor, Ont.—“Looking back over the past I do not know what I would have done

without Dr. Pierce's Favorite Prescription. I was living where I could not get a doctor so had to depend on medicine. I am the mother of six children and I took Dr. Pierce's Favorite Prescription during each expectant period and it kept me well and strong each time.

I did not suffer with any of the disagreeable features which most women have to endure. It is a godsend to women.”—Mrs. Emily E. McAleese, 585 Campbell Ave.
