

REPORT OF THE SECRETARY
OF THE
DOMINION OF CANADA RIFLE ASSOCIATION.

The Annual Prize Meeting for the year 1875 took place at the Rideau Ranges, Ottawa, commencing on the 7th and continuing to the 13th of September.

The arrangements for the meeting were carried out under the supervision of a local Committee of the Council.

The Circular Target adapted by Lt.-Colonel Brunel from the Wimbledon principle having given such general satisfaction in 1874, eight more of the same description were brought into use during the meeting, giving unqualified satisfaction.

The three medals presented by His Excellency the Governor General for competition this year were won:—

The Gold Medal,	by Lieut. Macnachten,	Cobourg Gar. Artillery
The Silver “	Bombr. Crowe,	Wellington Fd. Batt'ry
The Bronze “	Capt. Anderson,	10th (Royal) Battalion

The MacDougall Challenge Cup, competed for the seventh time, was won by Sergeant Mitchell, 13th Battalion, with a score of 42 points.

The Provincial Match, with the London Merchants Cup as the principal prize, was won by the team from the Province of Nova Scotia.

The Agent-General's prize, being the sum of \$100, presented by E. Jenkins, Esq., M.P., late Agent-General for the Dominion of Canada, formed a new source of competition this year.

Mr. Steward, the London Optician, repeated his liberal gift and presented two valuable Telescopes as prizes.
