The feature of the butter trade is the large amount that is going into cold storage. Price amount that is going into cold storage. Price with other years, the world over are on the butter prices the world over are fairly safe. Wholesale quotations are fairly safe. Wholesale quotations are: Dairy prints, 25c to 36c, creamery prints, 27c to 28c; inferior, 22c to 36c. In cheese new twins are 14 3-4c to 35c. Alone wal rarge, 14 1-5c to 14 3-4c.

HORSES

Trade is fairly brisk in horse lines,

HORSES
Trade is fairly brisk in horse lines, heavy drafters as usual being the kind in greatest demand. On local exchanges choice heavy drafters bring \$220 to \$350. Ear quality, \$175 to \$250, choice med. \$175 to \$180. In quality, \$180 to \$150, and left to \$150, and left, \$150 to \$150, and drivers, \$150 to \$250, and drivers, \$150 to \$250, and \$150, and \$1

LIVE STOOK

Cattle prices rule about the same as have prevailed for the past three weeks. Receipts have been decidedly short of those registered for the same period last year, and demand has been fairly good. Plaus for a municipal ablatoir have at plaus for a municipal ablatoir have at pasted the thin the pasted when the pasted the thin the pasted when the pasted the cast of the pasted when the pasted when

at a minimum expense, will relieve the coat of meat at the consumers' end.

The prices paid to drovers on Toronto markets seem exorbitantly high to city consumers; but even at the high levels the prices are the prices and the prices are the prices and the prices and the prices are the week are selling at \$7 to prices. While on the Buffalo market they bring \$850 to \$938, and at Chicago as high as \$10.76 is being paid. Choice butcher eartile range from \$6.50 to \$5.75 and med. to good, \$5 to \$455 co. \$6.00 to \$5.55 and med. to good, \$5 to \$5.50 co. \$6.50 co. \$6.50 co. \$6.50 co. \$6.50 co. \$1.50 co. \$5.50 co. \$1.50 co. \$1.5

to \$3.50; hogs, f.o.b. country points, \$8.50. Citile prices at Montreal are steady, with packers and butchers offering a strong demand. The top price of \$6.50 poid last week is not high, but there was really no choice stuff to be had. Lower grades dropped down to \$4.50; cows, \$3.50 to \$5.50; bulls, \$2.50 to \$5.50. Lambs were in active demand at \$8 to \$6.25. Sheep and eves brought \$4 to \$4.25; calves, \$8 to \$12.

She was a country to be an income of the country of

EXPORT BUTTER AND CHEESE EXPORT BUTTEF, AND CHEESE
Montreal, Saturday, Sept. 7-The market for cheese this week opened with a
strong demand at country points, with
everything offered being picked up at
15 &e to 13 de at b, but towards the
end of the week it became cuite apparent
offerable brigs were absorbed with condiderable frigs were absorbed with condiderable frigs were absorbed with condiderable frigs were absorbed with conusual lots, and in some cases are turning
them down unless at something considerably under the prices being generally usual lots, and in some cases are turning them down unless at something considerably under the prices being generally aski, and on Priday there was every evidence to the quotations at the control of the quotations at the control of the quotations at the control of the quotations at the prices paid ruled from 15 56c down to the prices paid ruled from 15 56c down to the control of the prices paid ruled from 15 56c down to the prices paid ruled from 15 56c down to the control of the prices are prices. The make in the prices was the control of the prices are to the control of the prices are to the prices are too high and must come down rices are too high and must come down to a lower and safet level. The receipts into Montreal this week aggregated aligned and should be present the prices and the prices are too high and must come down to a lower and safet level. The receipts are too high safe prices are too high and must come down to a lower and safet level. The receipts are too high safe prices are to high safe prices are too high safe prices are to high safe prices are too high safe prices are too high safe pri into Montreal this week agregated almost 80,000 boxes, fully 20 per cent heavier han at this time last year.

The market for butter is decidedly firm-

r owing to the increasing specula or owing to the increasing speculative de-mand for September creamery, and prices are closing a half cent per pound higher his week in consequence. Finest Eastern Fownships creamery is quoted at 27c to 71.4c a lb., and higher prices are gener-illy expected next week.

CHEESE MARKETS
