a modern two-storey brick building.—Tenders will be invited at once for the construction of a septic tank.

MONTREAL, QUE.—The St. Raymond Pulp Co., with head offices in this city, are reported to have completed plans for the erection of pulp and paper mills at St. Raymond, Que.—A special committee of the Chambre de Commerce was held last week to consider the erection of a new building. The south-west corner of St. Lambert hill and St. James street is considered the most suitable site.

—The Protestant Board of School Commissioners will commence immediately the erection of additions to the Aberdeen, Mount Royal and Lansdowne schools. The wing to the first two schools will comprise from eight to twelve rooms, while a smaller addition will be made to the Lansdowne school. It is also proposed to build a new Senior school on St. Catherine street.

OTTAWA, ONT.—Denis Murphy, M.P.P., H. K. Egan and others are organizing the British Canadian Bank Note Co. It is proposed to erect a building in this city in which to manufacture bank notes.—An association to be known as the Ottawa Local of the National Sanitarium Association, was formed in this city a few days ago, the object of which is to erect a free hospital for consumptives in connection with the Muskoka Sanitarium near Gravenhurst. J. W. H. Watts has offered to prepare the necessary plans for the building, which is expected to cost about \$3,500.—The City Council intends to construct a tar macadam pavement on Daly ave., from King to Nicholson street, at a cost of \$8,308, and concrete sidewalks on a number of streets.—It is understood that the Postmaster General is taking tenders for the pneumatic tube system to be installed in Toronto and Montreal.—Tenders will be received by the Department of Railways and Canals up to Tuesday, 11th inst., for stopping leak through the south bank of the Galops canal, at the west end of the Iroquois section. Plans at the above Department and at the office of the Superintendent of Operation, Morrisburg, Ont.—James Davidson, Chairman Board of Works, desires tenders by Wednesday, October 12th, for construction of a bitulithic pavement on O'Connor street, between Wellington and Queen streets, and an asphalt pavement with stone sets in the track allowance on Nicholas street, between Rideau and Wilbrod streets.
