GOSSIP.

The firm of W. & H. Jones, Mount Elgin, Ont., are still in the field with choice Poland-China hogs, and when we met Mr. Jones recently, he informed us that they were stocked with a few exceptionally choice young sows ready to be bred, as well as young boars fit for service, and that when the smoke of the big fairs had cleared away they would be pleased to attend to the wants of those requiring such. A few young boars were also on hand that they were not afraid to recommend. Watch their offerings in their advertisement.

Mr. J. J. Lenton, formerly of Oshawa, and for years a valued contributor to the FARMER'S ADVOCATE, is now managing an extensive and first-class poultry establishment on Green-Springs Valley farm, near Baltimore. The varieties of poultry raised on the farm are White, Golden and Silver Wyandottes, Barred and White Plymouth Rocks, and White Leghorns, besides Pekin ducks. The poultry house and all its accessories are strictly modern and up-to-date, and no effort or becoming expense are spared to maintain the flock and the premises in the best possible condition.

Messrs. A. Hume & Co., Menie, Ont., write us regarding their 2nd-prize herd of Ayrshires at Toronto, illustrated in this issue. They are: The yearling bull, White Cockade, 1st at Toronto in 1899 as bull calf under six months; 1st at London, 1900, as 1 year old. Next is the imp. cow, Eva of Barcheskie, twice 2nd-prize cow at Toronto, and by her side is her granddaughter, the 3-year-old cow, Snowflake, 2nd at Toronto as yearling in 1898, and 3rd in 1900 as 3-year-old cow. Then the yearling heifer, Little Love, 1st at Toronto in 1899 as heifer calf under six months, and again was put at the top in 1900. Then to the left is the beautiful unbeaten 2-year-old heifer, Eva's White Pearl, as her name indicates, a daughter of the imp. cow, Eva, winner of 1st both at Toronto, London and elsewhere in 1900. We had to leave out the heifer under one year, which, with the others named, composed the herd as shown, but she is of the same quality and breeding, winner of 2nd both at Toronto and London.

BIRMINGHAM SHORTHORN SHOW AND SALE. At the annual autumn show and sale of Shorthorns at Bingley Hall, Birmingham, Sept. 14th, there were 236 entries, of which 125 appear in the list reported as having been sold. The general quality of the stock is said to have been not of a high-class description, and except in a few special cases the prices realized were very moderate, a large proportion being drawn at 21 guineas, which suggests the probability that 20 guineas was the upset price, as none are reported lower than 21 guineas. Fifty guineas was reached in about a half dozen instances, 82 guineas twice, and these figures were exceeded only in the single case of Mr. J. H. Wheeling's Jasper. Prize money of the Fair last August, the annual sale place of his noted ram lambs. Of these, 100 were catalogued, eight being let for the season, a period of five to seven weeks. The first one made the very satisfactory price of \$575, the agent of Lord Carnarvon being the purchaser; \$300 being the next highest price, to Mr. Dibden; whilst the remaining six realized values that brought the average for the eight let ram lambs to \$206 per head all round. For the ram lambs sold, the demand was as good as could be; in fact, there was the keenest competition all through, and the average at \$78 per head. The draft or full-mouth ewes sold even better relatively. Of these there were 100, and the whole of them were purchased by one buyer, at \$28 per head all round, a record price for so large a number of this age, and one that fully typifies the high value of Mr. J. Flower's flock.

MR. J. FLOWER'S ANNUAL SALE OF HAMPSHIRE DOWNS.

One of the most successful sales ever held by Mr. J. Flower, of Chilmark, Salisbury, of his celebrated Hampshire Downs was that which took place at Butford Fair last August, the annual sale place of his noted ram lambs. Of these, 100 were catalogued, eight being let for the season, a period of five to seven weeks. The first one made the very satisfactory price of \$575, the agent of Lord Carnarvon being the purchaser; \$300 being the next highest price, to Mr. Dibden; whilst the remaining six realized values that brought the average for the eight let ram lambs to \$206 per head all round. For the ram lambs sold, the demand was as good as could be; in fact, there was the keenest competition all through, and the average at \$78 per head. Of these there were 100, and the whole of them were purchased by one buyer, at \$28 per head all round, a record price for so large a number of this age, and one that fully typifies the high value of Mr. J.
