# A Healthy Sign

in the life of any publication is First: the  
condition of its subscription list; Second:  
its class of advertisers. The Commercial  
has never enjoyed a more prosperous period  
than the present—particularly in the matter of  
new subscribers. The reason is not far to seek.  
This journal's paid circulation is larger  
than that of any weekly trade newspaper in  
Canada, and in the middle and Western  
Canada its circulation is larger than the  
combined circulation of all other trade news-  
papers.  
Advertisers in the Commercial get  
RESULTS. If you want business from  
the rapidly growing and best buying prov-
