They are sowing their seed in the soft twilight: They are sowing their seed in the solemn night. What shall their harvest be?

They are sowing their seed of pleasant thought, In the Spring's clear light they have blitbely him and he struck me. Nobody likes me." wrought; They have brought their fancies from wood and

Where the mosses creep, and the flower-buds

Rare shall the harvest be;

They are sowing the seed of word and deed, Which the cold know not, nor the pareless heed Of the gentle word and the kindest deed. That have blest the heart in its sorest need. Sweet shall the harvest be.

And some are sowing the seeds of pain; Of hate, remorse, and a maddened brain; And the stars shall fall, and the sun shall want Ere they root the weeds from the soil sgain. Dark will the harvest be.

And some are standing with idle hand ; Yet they scatter seed on their native land. And some are sowing the seeds of care, Which their soil bath borne, and still must bear Sad will the harvest be.

They are sowing the seed of noble deed. With a sleepless watch and an earnest heed; With a ceaseless hand o'er the earth they sow, And the fields are whitening where'er they go Rich will the harvest be.

Sown in darkness, or sown in light, Sown in weakness, or sown in might, Sown in meekness, or sown in wrath; In the broad work-field, or the shadowy path, Sure will the harvest be.

A Tiger Story.

Lucy and Fanny were two little girls, who lived with their papa and mamma in London. could, he said. When Lucy was six, and Fanny five years old, strange people, and animals, and things such as and you'll be loved." they had never seen. They never wearied of "I wish I could," said Peter.

his knees, and Lucy said :

"O uncle, do tell us a tiger story! We have were afraid to go near the bars of its iron house. Uncle, did you ever see them in India?" very fierce they were."

not tigers sometimes run away with little chil-

"Yes, if they are very hungry, and can get near them without being seen. I will tell you a story about a tiger : ad : baby which happened to some friends of my own,"

in a very wild place, near a thick wood. The lady said. 'Oh I feel so afraid to-night : I cannot tell you how frightened I am. I know there husband kneeled down together, and prayed to true manliness. God to keep them from every danger; and they | Carry a thing through. Don't begin it till you

TESTIMONIALS.

1 Queen Elizabeth street, Horselydown, Sept 21st, 1863. Sir,—I beg most sincerely to thank you for re commending your Patent Food to my little boy, and to speak of it in the highest terms. At the age of 7 weeks he was brought down so low that I despaired of his recovery. Various means having been used without effect. I commenced using your Patent Food, and from that time to the pasenthe has lived entirely upon it, and gradually regained health and strength, so that all that see him consider him a fine little fellow. He is now 19 weeks old. I remain sir, yours respectfully DR J. J. RIDGE. W. M. HANRINS. 29, Prior Place, East Street, Walworth, S. E.

DEAR SIE,-Please send me one dozen of you Patent Food and oblige. I find it sell very well; and indeed it is used with general satisfaction by mothers who dry nurse their babies, who always seem to thrive and do well; and having seen its good qualities in young members of my own re-lations, it is a sufficient guarantee for me to strongly recommend it when opportunity presents itself

I am dear sir, yours very truly

To Dr. Ridge. PAUL STRANGE. Carlton House Enfield, N, I have examined Dr Ridge's Patent Food and find it a very useful thing for children and Inva-lid. It has a great advantage over many patent articles of diet, by possessing an agreeable fixour and leaving no acidity behind. It is easy of diges-
