OUR OFFER OF Historical Pictures

We have much pleasure in offering to our numerous friends and subscribers an opportunity of obtaining what are considered on all hands excellent pictures of the Bishops, clergy and laity, who were members of the First General Synod of the Church of the Dominion of Canada. One represents the Bishops in their Coadjutor robes, who formed the House, the other the prominent and influential laymen from all parts of the Dominion who formed the Clergy House.

These pictures are large photographs taken by the first artists in Toronto—Messrs. Farmer Bros.—and mounted in picture suitably framed 18x14 in. It is almost needless to say that these pictures, besides having great value attached to them at the present time, will be most highly prized in the future. The event was an historical one, and any pictures of this kind have historical value.

These photographs are the only ones which were taken during the sitting of the Synod. They are controlled by the Synod and cannot be procured from any other source, and give excellent likenesses of each of the Bishops, clergy and laity. That of the Bishops is particularly fine, and with its background of the University walls and the cloisters connecting it with the Chapel, makes a handsome picture. The price of each if sold alone, is \$2.

Our aim is to increase the circulation of the CANADIAN CHURCHMAN, hoping that by doing so we are inducing into many families good Church teaching, and interesting Church news. We have made efforts to procure these pictures, to offer them to all who will aid our work at the very lowest possible price. The expense and risk has been considerable, so great, that beyond usual cost of procuring the photographs, we felt it necessary to have them copyrighted so that the chance of loss might be reduced to a minimum. No profit is made on these pictures, the only advantage we see is the increased circulation of our paper.

We make the following offer: one paying up his subscription to paper due at the end of the year 1894 and also the subscription in advance for the year 1894 may have either the pictures for 50 cents or both of them for \$1. New subscribers paying one year in advance, can have pictures on the same terms. We guarantee that the pictures shall be safely delivered, or if injured and returned to this office, replaced by new ones. We respectfully hope that this effort of ours to secure for the men the pictures of those who were up this most important Synod, by doing them a service, and trusting by accepting our offer they may give us with a proof of their appreciation.
