Door and window screens are in demand these days. Mr. Clegg the hardware man has disposed of quite a number of the elegant variety he handles.

The crops of all kinds in this section are growing finely just now and this promises to be a year of plenty. So far neither frost, blight or worm has interfered with the fruit crop which give evidences of an unusually abundant yield.

Pathmaster Greer has about finished his roadwork duties for this year. General satisfaction is expressed, although many think that cash contracts would have realized far more for the public. Mr. Alex. Strong, on the north beat of the village, is also doing a good job of work.

The widow of the late Mr. Wiggins, who died in Los Angeles, Cal., a few weeks ago, is expected to reach here this week. This lady intended to start on her journey a week or so earlier, but was delayed in getting ready, so she unfortunately missed the great Mississippi floods in which so great a loss occurred.

According to at least one Owen Sound paper, the Clippers did not carry home with them the very best-natured reports of the match played against the Unions in Walkerton last week. The Owen Sound team should remember that while the Unions have two villages of 700 population to select their team from, the Clippers can take their pick from a town of 7,000. They are certainly fine fellows and play a good game but while they may be too much for Billy Burche's Hustlers, over at Warton, they're "not in it" with the Unions.

Rev. C. E. Carter, of the Howick Congregational church, has connected himself with the Methodist body and has been appointed to the Qr'Appello circuit, N. W. T., where he is to take charge the first week in July. Mr. Carter is a well-educated, eloquent young gentleman and his departure from this section is much regretted. He will preach his farewell sermons on Sunday next, and leaves for the Northwest shortly after. Mrs. Carter and the children, remaining with her mother in Mount Forest, for a time. The best wishes of all go with him.

The Patrons of Industry picnic occurs at Lakelet on Friday, July 1st. This picnic has been announced since last March and a large turnout is expected. At the platform there will be addresses by Grand President Mallory; County President Gantt; Organizer Pritchard, Mr. Jas Mitchell and others. At 10 o'clock a. m., there will be a football contest between the Unions of Lakelet, and Mildmay. A base ball match will also take place. Pleasure boats have been secured, good music has been arranged for and the management is leaving nothing undone to make the occasion successful.

Arrangements are now about complete for the Methodist demonstration in this village on Dominion Day. There will be four corner stones laid: Mrs. Benjamin S. Cook, will perform that ceremony for the Orange-men of Howick District; Mrs. Carson will lay one in memory of her late husband, Mr. Alex. Carson; Messrs. James Leech and Dan'l Harris will each lay a stone. Tea will be served on the church ground commencing at 4 o'clock, p. m. At 8 o'clock, p. m. the town hall will be the scene of a splendid meeting, addresses being delivered by Revs. Howell, Rupert, Livingstone, W. W. Leech, Edmunds, Pring, Ayers, Carter and others. The fine choir of the church is preparing a musical treat for the occasion.

Miss Mary Sanderson, of Grand Valley, is visiting friends in Gorrie for a few weeks.

Only two cases were heard at the Division Court which was held here yesterday.

The Busy Gleaners' meeting on Tuesday evening was a very pleasant and successful affair.

Miss Nellie Wright, of Woodstock, is the guest of her sister, Mrs. N. McLaughlin, in this village.

The Presbyterians of Gorrie are arranging to have their church frescoed, the windows frosted, and the fence painted, which will make a great improvement.

The Brass Band serenaded on Saturday evening from the roof of McLaughlin Block. The boys are making rapid improvement and the music was heard a long distance from the high elevation. A band stand would be appreciated.

Council meets in Belmore on the third Wednesday in July. There should be a large delegation of farmers present to strengthen the hands of Councillor Ferguson in getting some lasting service on the road north of Gorrie. A dozen or so years ago Howick passed a bonus by-law, by a good majority, granting \$12,500 towards widening the gauge of the (then) T. G. & B. Ry. By the course of events the township escaped paying that money, so is that much ahead. We believe the ratepayers would be willing, and the township could well afford, to expend enough of this money thus saved to make roads fit to carry their produce to the stations which they so heavily bonused in the past, and enable them to travel without positive danger. We do not believe that the so-called "economy" that some of the members of the council preach is in line with the views of the ratepayers at large neither do we believe it is wise to leave a road, like the Gorrie sideline is, in such a condition that a fatal accident is liable to occur at any time among the ruts and roots which might bring an action against the township for more than enough to ditch, grade and gravel the road from one end to the other.

Howick Council.

WM. DANE, Clerk.

Finlay's Corners.

Policeman Cathers, of Toronto, is visiting at present with his brother, Mr. Jacob Cathers, 15th con.

Mr. John Dane's raising occurred on Wednesday.

There will be a big logging bee at Mr. Taylor's on Friday.

Mr. Wm. Finlay will have his barn raised on Monday next.

A grand union picnic of No. 1 and 15 will be held in Mr. Thos. Taylor's bush on July 1st. The program will consist of dancing, swinging, ball games and other amusements. The music for the dancing will be furnished by Mr. Fryfogle, of Belmore, who is widely and favorably known as a master musician on the violin. The ladies of the section will provide edibles for the occasion in their usual good style. Mr. D. McDonald, of Belmore, will have a stand on the ground and will furnish all kinds of refreshments. The people of Lakelet and Belmore are each getting up picnics, but we hear some of the inhabitants of these villages saying they are

going to attend ours, as it will be, like all the past have been, a grand success.

Wroxeter.

Rev. Mr. Davidson, a brother of the pastor, preached in the Presbyterian church here on Sunday. He is well liked by the people here.

Reeve Sanders was in Toronto on a business trip last Monday.

Nearly two tons of butter, belonging to Robinson & Dane and J. W. Sanderson, was shipped from here last Friday. This is a great butter country.

The furniture has this week been moved out of the Grand Central hotel.

Dr. Smale jr., has returned from Detroit, where he was attending the medical convention. It was one of the largest ever convened there being about 7,000 delegates present. Valuable papers were read and much useful information imparted.

It is understood here that Mr. John Sanderson will return from Manitoba in a short time and that some of the family are now on the way home. His many friends here will be glad to see him.

A large number of the Masonic fraternity visited Listowel from here on Tuesday morning to go through some of their dark and hidden secrets. Some of them looked very pale when they returned.

The temperance people here are arranging for an excursion in the near future.

District I. O. O. F. meeting was held here yesterday. J. A. Morton, Wingham, was elected District Master, and Jno. Brethauer, Wroxeter, District Secretary, for the coming year.
