Excusion.—Quite a number of our citizens intend patronizing the excursion which takes place to day over the Grand Trunk, Georgian Bay & Erie Ry. to the selection of the town, suggesting that certain amendments be made in town by law regulating the keeping of hose within the town, also suggesting that the dam cast of the town be enlarged so as to ave a head of fresh water to be let off occasion trip, 50c. We understand that the citizens of Chesley are making extensive preparations for celebrating the opening of the load. The road is to be opened for regular traffic on Monday next.

THANKSUVINO SERVICES.—In conform ty with the pastoral of the Bishop of Huron requesting the observance of Sunday next with inst, as a day of thankswips to the conformation of the Bishop of Huron requesting the observance of Sunday next with inst, as a day of thankswips to the sunday of the sound. Thanksolving Services.—In contoin ty with the pastoral of the Bishop of Huron requesting the observance of Sunday next 9th inst., as a day of thanksgiving for the bountiful harvest, by the Anglican churches in the Diocese, thanksgiving services will be held in Christ Church, Listowe': Rev. Mr. Taylor, the Incumbent, will officiate. Collections will be taken up in aid of the missionary Diocese of Algoma.

Passen.—Mr. J. Switzer, one of the candidates of the recent Intermediate Examinations, believing that he had not received justice at the hards of the Examinations Board, appealed and had his papers re-examined. This week hereevived notice from the Department of Education that he had passed. This makes seven candidates in all from the Listowel High School who have succeed ed in passing. As several others failed only by a very few marks, a "re-count" might have resulted successfully in their cases also.

A. O. F. DISTRICT MEETING.—A meeting of representatives of the various courts of the Ancient Order of Foresters comprising the Perth and Huron District was held in Listowel on Wednesday 5th inst. Among those present was Mr. F. Chaplin, late C. R. of the Listowel court, who was in attendance as delegate for Court Myrtle, Woodstock. The chief business of the meeting was the question of establishing a subsidiary High Court for Canada. We understand that the meeting was in favor of establishing such a court, and adopted a resolution to that effect.

BEAR SHOT.—The carcass of a huge black bear, weighing nearly 600 pounds, was exhibited here on Saturday last. The animal was shot in Grey township by Mr. John Smith, who is somewhat of a hunter. It was brought to bay in a small piece of bush by several parties who had got upon its track, and three bullets were lodged in its body before it was despatched. While being chased his bearship is reported to have tossed over fences and other obstacles in his path with such ease as to convince his pursuers that his strength was in proportion to his monstrous size. It is a matter of speculation how this great brute came there, but it is supposed that it had been driven out of the swamps in that neighborhood by the bush fires.
