The Want Ad To-day is One of the Tends Most to Success

Have you ever taken careful stock of your assets to see how much you had in health, wealth and modern advantages to help vor climb the ladder to better

YOUR ASSETS.

office 516. Res. 2125 Office

Many people do not take the trouble to consider just what their assets are and, indeed, are never really aware of many of them. For this reason many of their assets lie idle and they never realize on them.

But there is one asset that is common to all people, and one that no one in these days can afford to overlook; namely, the Want Ads of the news-

Take the time to think of the many ways in which the Want Ads can help you in your daily living. .Then use them!

The Social Pabric. To uphold the social system women mbmit to uncounted tests of their confort, ennul, the peril of cold drafts and damp places; hours of weariness ents of acute annovance for the sake of what, to a man, is an unim portant social matter. And even though at times she feels that it would matter little if the whole social scheme of things should perish—and that in-

stantly with fire and bloodshed if need

Warm Though Far North. It is difficult to realize, but it is none the less true, that the Murman coast T45 tf of Russia is as far north as King William Land, where Sir John Franklin and the Terror. But the Gulf stream makes all the climatic difference. For that reason it is possible for Quebec to be much further south than London and New York to be on the parallels of latitude of Spain and yet have winters of great severity.-Christian Science Monitor.

> Flowers cost so little and they an so much. We need not go to shionable florists for our mes One rose bought from a tray on the ign on Fifth avenue. It is these little things, these beautiful personal expressions, that make our flowers worth while. But they must have a message or they cannot deliver it.

> Wanted Full Particulars. Before little Bill and his mother ached auntie's home he was cautioned to be on his good behavior and to be nice to "mother's friends." But he was such a little boy to be good all the time, and a few hours after his arrival he apparently sized up the sit-uation and asked, "Well, who else do I have to be nice to besides mother's friends, and Aunt Mary's friends, and Aunt Margaret's friends?"

Glanders in the Cat Family. Glanders is an ailment usually clated with horses, but an outbu f this disease among the lions and tigers of the Rome zoological garden is reported in the Annali d'Igiene. The disease is known to have been transmitted from horses to lions, tigers and leopards, and the domestic cat was bown as a constitue of the constitue of wa susceptible by laboratory in-
