

"TIMES" VOTING CONTEST.

The Most Popular Faro-Dealer Gets a Free Trip to Juneau.

We begin this week a series of voting contests to determine the most popular of our leading citizens engaged in various industries.

In this issue our readers are asked to name their favorite faro-dealer. The gentleman receiving the largest number of votes will be entitled to a trip to Juneau by the great scenic mountain route, via Chilkoot Pass. The successful candidate will be expected to furnish his own Indian guide, but all stimulants needed on the journey will be supplied free by the MORNING TIMES, so the trip will virtually be at the expense of this paper.

Cut out this coupon and send it to the counting room of the TIMES before sunset next October:

I vote for.....
 as the most popular faro. dealer in
 Dawson City.
