## A Worthy Public Official Resigned

Mr. W. P. Eaton, of the Railway mail service in compliance to his request has been placed upon the retired list being relieved from duty July 1st.

It is thirty-five years this autumn since Mr. Eaton, left Kentville, taking up duty on the Halifax and Annapolis line. He had previously been engaged for six years in the Kentville Post Office, which makes over forty years given to the responsible work of caring for the public correspondence. For many years he was the only representative of this county but at present we have Mr. K. E. Corbett of Lakeville and Mr. J. Park Cox, of Upper Dyke in the service.

Mr. Eaton has seen many changes in the personnel, as well as improvements and developments in this public service. He made one of twenty men when going in the service, today when fully manned the different roads in this Province require about seventy men. Of the original twenty only one, Mr. C. E. Power of Halifax remains on duty.

At the beginning of Mr. Eaton's service the run Halifax to Annapolis required one man and about one fourth of a car. Today there is in use a whole car, and at least four men each way, required to handle the volume of correspondence and papers in and out of this Annapolis valley.

Originally the service was handled by the post office inspector of each district, but in 1896 it was made a separate branch of the post office department with a Controller at Ottawa and Superintendent in each district. Mr. P. P. Bent is Superintendent at Halifax, and an office staff of six is required to care for the business of the service.

Mr. Eaton is in receipt of a letter from his Superintendent and from his brother clerks, highly complimentary to his work as a mail clerk.

We trust that Mr. Eaton, will enjoy many years of his retired life on his beautifully located home surroundings at Grand Pre.

## THE ADVERTISER.

Kentville, Friday, July 19th, 1918.

## A Hive of Activity

That Kentville is a busy centre at the present time is evident to every one who visits this place. With a Military Camp at Aldershot 1½ miles distant containing from 5000 to 6000 men, wearers of the Khaki are thronging our streets every day and the early evenings present a throng like a Metropolitan centre.

## ONE WEEK OF CHAUTAUQUA

But more active are in prospect commencing Wednesday July 31 one of the greatest events of our town life will open. At that date Chautauqua with its retinue of world famed lectures, operatic, singers, musicians, concert, troupes, quartets like the Old Homestead (which is now a household term for the best in America) orchestral club, entertainers will pitch their camp in Kentville for a whole week's program. They will occupy the sightly school grounds where they pitch their tent capable of holding over a thousand people. Hundreds from outside the town will come to Kentville that week to visit their friends or board for several days so as not to miss this great musical and literary treat of a whole week. The opera Robin Hood on the 5th day will be worth the whole price of a course ticket. It is probably the best American opera, even better than the Chimes of Normandy or the Mikado.

## MARITIME ODDFELLOWS MEET

Following Chautauqua will come the annual gathering of the Grand Lodge of the Independent Order of Oddfellows and their associated orders. This will be held at Kentville on Tuesday, Wednesday and Thursday August 13, 14, and 15. The highest offices of the order will be present and it is expected that from 600 to 900 delegates and representatives will attend. To entertain and accommodate this notable gathering, everyone in Kentville must decide to do everything possible. May every home have its latch string open to help accommodate these representatives of a noble order.

## Latest War News

The news of battle from the Western front has been very assuring of late. The German offensive lately launched has proved quite inoffensive. The reports received Thursday night are the best we have heard for a long time, not only have the Germans been stopped, but General Foch with his French and American troops have smashed the German lines completely, along a front of 25 miles killing, wounding and capturing many thousands of the enemy, taking towns, 20 villages, a large quantity of guns and other supplies. So demoralized are the Germans there that their left wing is threatened with disaster. The American troops have proved their metal—equal to our Canadians is the best terms for fighting ability that any soldier can expect.

## MARRIED AT VANCOUVER

The marriage took place at Vancouver in June of Frances Hart (B. A. Acadia) to Mr. Kenneth McNaughton Electrical Engineer on the Empress of Austria. Mrs. McNaughton will probably come East soon to visit her relatives and her mother Mrs. Lewis S. Messenger of Vancouver, leaves soon for Nova Scotia and will visit her daughter Mrs. Manning Ellis Port Williams.

Prof. Ray Palmer Baker Ph. D. with his wife and infant son Ray Palmer Jr. are spending their summer vacation at Belcher St. with

Mrs. Baker's sister Mrs. Manning Ellis Prof. Baker is in charge of the department of English in the Ren-Cellar Polytechnic Institute, Troy N. Y. and his wife is Mae, second daughter of Mrs. Lewis Messenger formerly of Wolfville.
