Nine Clergymen Make Serious Allegations Against Bathurst Officials.

SEARCHING INQUIRY

Solicitor General Jones as Royal, Commissioner Opened Court Last Week.

Bathurst, N. B., Dec .-- The in vestigation into the charge brought again t the liquor license com missioners and inspector for the county of Gloucester by the follow ing clergymen of the county, namely, Rev. William Varrily, Rev. Eloi Martin, Rev, James Wheeler, Rev. J. Hugh Hooper, Rev. Richard Opie, and Rev. John Carter, Rev. J. Theop. Allard, Rev. W. E. Sormany, Rev. S. J. Doucet, six of whom are Roman Catholic priests, one an English church clergyman, and the remaining two Presbyterian and Methodist minis ters, was begun at the court house here this morning before Hon. Wendall P. Jones, solicitor-general, royal commissioner, to deal with the matter.

Court opened at 10 o'clock, and was adjourned till 2 o'clock on the application of Mr. Mott. who esired to consult with his clients. The petitioners, several of whom

were in court, were represented by George Gilbert and N. A. Landry, and the defence by W. A. Mott, of Campbellton, and John J. Harrington.

The hearing is taking place in the court house and much interest is being manifested, judging by the attendance and also the conversation on the subject about town.

The charges are of quite a serious character, the substance of which is that the act is being op nly violated with the full knowledge of the commissioners and the inspector, that the inspector is not a fit person to occupy the position, it being specifically alleged that persons licensed to sell at wholesale were selling by retail; that gambling is allowed on the premises; that the inspector will not prosecute on information unless a deposit is made by the

applicant to cover costs. Nine witnesses were examined

and Angus Kenny.
Charles Williamson, one witness,

said of Kenney's.

Edward Baldwio said he saw Albert Stewart, the chairman of J. Quiulan, Bonaventure station the commissioners, taking drinks for all information, descriptive with one Michael Brophy in a matter, rates, etc. building owned by Kenny, about seventy-five feet from his barroom and connected with his dwelling house, and that t is building was practically a barroom, and that this happened on a Saturday night

after hoars. Albert T. Hinton testified that he had a drink with Stewart in White's place, and that he has known of liquor being sold there

by retail for twenty years past.
Mrs. Margaret Ryan, George Windsor, Miller, Frank Melanson, Bennett Hachey and Alfred Doule gave testimony along these lines.

BABY BEEF

Baby beef is the highly finished product that sells for the highest figure because the muscles, tendons and tissues are not hardened by age and use.

It is tender and juicy, like a sappy, young tree.

It costs, on the average, about 3c to make I lb. of gain at one year, and about 7c. at two years, and so on, because the digestive powers are more energetic in younger than in older stock.

There should be no let up in feeding the 365 days of the year.

Clydesdale Stock Food

can be fed with the greatest benefit to calves, especially with Separator Milk, as it takes the place of the extracted butter fats.
