PAR SIRS,—For several years past I have constantly recommended "Robinson's Phospholizes Enuision" of Ced Liver in my praetic, and have clucaye had perfect satisfaction with it. I saw such good results among my patients for whom I had prescribed it, that I was led to take some myself, being affected with a bad Cough and Hemoptysis. It worked very well on my constitution, and since using it my health has much improved and now I cough very little and respiration is easy and natural. I was EMACIATED and am now growing Far. The addition of Lactophosphate of Lime to the "Phosphorized" Cod Liver Oil, gives to your preparation much curative value in cases of CONSUMPTION, or any serious CHRONIC disorder in the LUNGS, or other parts of the RESPIRATORY TUERS.
