## DOAKTOWN

Variety in Weather Conditions  
Feb. 28—We have experienced a mixture of all kinds of weather. In fact, it snowed and rained, and was warm, and then very cold. Monday was accompanied by strong gales from the south east. In the afternoon the snow turned to rain. Strong to moderate gales from the south east prevailed during the evening, decreasing towards midnight. There was a decided change in the temperature during the day. The large variation in temperature is considered as most unusual.  
The rain served to reduce the snow and has made it very slippery walking.  
Miss Violet Sturgeon who has been visiting friends in Upper Blackville for the past few days has returned home again.  
Mr. Reginald Lyons who has been suffering from a slight attack of appendicitis, is somewhat improved today.  
Messrs. William, Patrick and Michael Hannon who have been working in F. D. Swin's factory, on the St. John river, were in town part of last week being election.  
Mr. Thomas Weaver spent one day last week with his friend Mr. George Donald.  
We are pleased to hear that Mr. Donald is somewhat improved, after his recent illness.  
Mrs. William Murray was the guest of Mrs. Lorne Dixon one day this week.  
Mrs. Russell Wathen, Misses Bertie Ogilvie and Dora Lyons spent a very pleasant evening with Mrs. Lawrence Doak one day last week.  
Mrs. Willard Parker and Mrs. Lawrence Doak were guests of Mrs. R. S. Wathen quite recently.  
Mrs. William Cunningham went to Fredericton last week on account of the serious illness of Mrs. Joseph Arbeau.  
We regret to hear that Mr. Arbeau is still very ill and is still confined to the Victoria Hospital.  
Miss Annie Doak of this place is visiting her aunt, Mrs. Thomas W. Fleet of South Nelson.  
Mr. Geo. A. Wathen has returned home again after attending the funeral of his brother, Mr. M. S. Wathen of Richibucto.  
Mr. C. Younger Lewis of Fredericton, former pastor of the Presbyterian church here, was in town on Friday.  
Mrs. Ellis Mesereau has returned home after spending a few weeks with her mother, Mrs. John McDonald of Blissfield. We are indeed pleased to hear that Mrs. McDonald is rapidly improving after her recent serious illness.  
Mrs. Jack Stewart who was suddenly called to Campbellton a few weeks ago on account of sickness, has returned to our town again.  
Mr. Douglas Price of McNamers was in town on Wednesday.  
Mrs. William Mitchell was calling on her daughter Mrs. Luke B. Amos one day this week.  
Miss Annie Bamford of Blissfield has accepted the position of matron at the Hospital at Halifax. She left on Monday to take up her duties.

Messrs. Justy Betts and J. Robert Nelson spent Saturday in Bolestown.  
Mr. William Cumming went to

Fredericton again to see his sister, Mrs. Joseph Arbeau, who shows no signs of improvement.  
Mr. Harry Russell returned home on Wednesday evening after spending a few days in Newcastle and Chatham.  
**Doaktown Bereft**  
The event of the past week was the election. While the result was not entirely unexpected yet to this vicinity it was in a measure disappointing because we are now deprived of the privilege of having a representative from this village. The privilege that we have enjoyed since 1912 and which we learned to appreciate, because our M. L. A. was a representative of the people and it was always ready and willing and quite capable to look after the interests of his constituents. Had we been fortunate enough to have had a man on the Opposition ticket we would now be represented as circumstances seem to have been such that any man who was on that ticket was sure of his election.  
**Community Mourns Death of Gordon Doak**  
An accident that has cast a gloom over the whole community, happened last Saturday, when Gordon Doak, a life long resident of Doaktown was seriously injured in the Newcastle I. R. C. yard. He was engaged as brakeman and while shunting cars he slipped under the front part of the car, on account of a flat or board he was holding on, giving way and was caught by the wheels of the car which ran over his leg, crushing it so badly that it had to be amputated. He was so exhausted from the loss of blood and nervous strain that he was unable to stand the ordeal and succumbed to the inevitable.  
His remains were brought to Doaktown by Whooper Tuesday evening and taken to his father's residence.  
The funeral will be on Thursday afternoon, interment to be made in the Church of England burying ground.  
The village truly mourns the loss of this very popular young man. He was only 24 years old and leaves a widow and two very pretty young children, both boys.  
Mr. Ronald Hurley and daughter, Miss Mary, were visitors to town on Wednesday.  
Mr. and Mrs. Arch Porter and son Gerald spent the weekend with Mrs. Porter's parents, Mr. and Mrs. Douglas Price, McNamers.  
Miss Florence O'Donnell is spending a few days with her friend, Miss Mae Porter.  
**Death of Archie Lyons**  
The death occurred on Thursday evening about 11.30 of Archie Lyons third son of Mrs. William Lyons of this place. Deceased was 22 years of age, and although he was miserable for a long time, he expressed an anxious desire to follow his father who predeceased him about one year previous to this time. He leaves to mourn a mother, who has been seriously ill for the past two weeks, also two sisters and two brothers. Funeral was conducted on Thursday afternoon by Rev. Sterling Stackhouse. Interment was made in the Baptist cemetery.  
Mr. Samuel Betts who has been working near Fredericton for some time past, has returned back to our town again. He is being welcomed by his many old friends.

## An Invitation To Sickness

Impure Blood Means a Break-Down in Your Health.  
Impure blood is an invitation to sickness. The blood is at work day and night to maintain the health, and any lack of strength or purity in the blood is a weakness in the defense against disease. Anemia is doctor's name for lack of blood. There may be an actual loss in the quantity of the blood, or one or more of its constituents may be lacking. Its surest symptom is pure Anemia is particularly common in young girls. It is not, however, confined to them alone, for it is this same lack of blood that prevents full recovery after a grippe, fever, malaria and operations. It is also present in old age and in persons who have been under unusual mental or physical strain. If you are suffering from this trouble take Dr. Williams' Pink Pills for Pale People. They make pure, new blood with every dose and this new blood means health and strength. Thousands have proved the truth of these statements, among them Mrs. John Hyatt Metiskow, Alta. who says:—"About a year ago I was in a badly run down condition, my blood was watery, I was very nervous, sleep badly at night suffered from frequent headaches and found my housework an almost intolerable burden, my appetite was poor, and I did not seem to assimilate the food I took, altogether my condition seemed serious. As there was no doctor in our neighborhood I decided to give Dr. Williams' Pink Pills a trial, and I have much cause to be thankful that I did so, as in a few weeks I could feel a great change for the better. I continued the use of the pills for some time longer, and found a complete cure. I feel better than I have for years and therefore cheerfully recommend Dr. Williams' Pink Pills to all who are weak and run down."  
You can get these pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont (advr)  
Mr. Clare Curry of Portland, Me. is visiting relatives in town.  
Sergt James Craik has returned to Parks Convalescent Home, St. John, after spending a few days with his wife and family.

## HUSBAND SAVED HIS WIFE

Stopped Most Terrible Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.  
Denison, Texas.—"After my little girl was born two years ago I began suffering with female trouble and could hardly do my work. I was very nervous but just kept dragging on until last summer when I got where I could not do my work. I would have a chill every day and hot flashes and dizzy spells and my head would almost burst. I got where I was almost a walking skeleton and life was a burden to me until one day my husband's step-sister told my husband if he did not do something for me I would not last long and told him to get your medicine. So he got Lydia E. Pinkham's Vegetable Compound for me, and after taking the first three doses I began to improve. I continued its use, and I have never had any female trouble since. I feel that I owe my life to you and your remedies. They did for me what doctors could not do and I will always praise it wherever I go."—Mrs. G. O. Lowrey, 419 W. Monterey Street, Denison, Texas.  
If you are suffering from any form of female illness, get a bottle of Lydia E. Pinkham's Vegetable Compound, and commence the treatment without delay.

**Millerton Women's Institute**  
At the last meeting of the Women's Institute of Millerton, a much business was transacted and a good time spent. The meeting was held at the home of Mrs. H. A. Simpson. Twenty-one members and one visitor were present.  
Miss Jessie Lyon, Secretary of the Red Cross Committee, reported that a box containing 2 quilts, 16 sheets, 12 pyjama suits, and 15 hospital shirts had been packed at the home of Mrs. Charles Peterson on January 27th and shipped to the Daughters of the Empire at Fredericton.  
Mrs. Henderson reported knitting work still going on and that more socks had been sent to the front.  
It was decided that each member of the Institute be asked to raise \$1 to be handed in at the next meeting of the Institute.  
The subject of the meeting—"What Should a young girl's education consist of?" was then taken up, and the discussion proved very interesting and helpful.  
Next came the following entertainment—readings by Misses Jessie Lyon, N. Stothart and Mae Reynolds and Mrs. T. C. Miller.  
The next meeting will be held at the home of Mrs. Wm. Carnahan, the subject to be "The War" and will call to be answered by the presentation of the dollar and telling how it was obtained.
