"BUY AT HOME"

He Was Tired Of Tea

The buyer of a leading wholesale grocery house in Nova Scotia had been snowed under with tea samples all his business life. All the glamor of tea had gone from him. Appeals from enthusiastic friends for him to try Blue Bird left him unmoved till a week ago. They he tried Blue Bird Standard Label and said it was the finest tea known in Nova Scotia, at any price, and bought 5 lbs. for his home.

WEALTHIEST MAN IN NOVA SCOTIA

(Occasional in Halifax Recorder)

Dead Occasional:

Who was the wealthiest man Nova Scotia ever produced? What amount did he accumulate and when did he pass away?

A Reader of Occasional

(As far as recorded, Hon. Enos Collins was the wealthiest. He was a man of great shrewdness, was the son of Hallet Collins, of Liverpool, and in early life followed the sea. He prided himself on having begun life as a cabin boy, which he often made a subject of boast. His education had been very limited, having been confined to the three R's, but what he wanted in book learning was more than compensated by great clearness of intellect, sound judgment and indomitable pluck. He certainly had what is known in the present day as the courage of his opinions, and when after careful scrutiny he was once satisfied of the correctness of his calculations he went into a business transaction, no matter of what extent, with an amount of boldness and unswerving confidence which nothing could restrain.

At the time he laid the foundation of his colossal fortune money was easily made. The wars then existing brought an immense amount of wealth to our shores. Privateering, then regarded as a legitimate business, was largely practiced by people of all classes, and was engaged in by Mr. Collins and numerous other merchants to a great extent, and resulted in great gains. Those who engaged in it were put to great expense in fitting out their falling into the hostile hands of the enemy, but Mr. Collins was one of fortune's favorites and but seldom met with disaster.

He and Joseph Allison for a long period carried on business as co-partners in the West India trade and after the dissolution of the firm, the supervision of his great wealth, together with his banking business, occupied his attention until the period of his death, which occurred at Gorsebrook, Tower Road, on the 18th November, 1871, at the great age of 97 years.

"AND THOU CAPERNAUM"

Archaeologists and Explorers claim to have discovered the site of Old Capernaum, in the Holy Land. The finding of ancient documents in the ruins, seems to have settled the question. The remains of the synagogue, in which Christ taught and preached, are said to have been found, and it is the belief of the finders that the edifice can be reconstructed, though the destruction looks like the work of an earthquake.

HON P G MAHONEY

All praise to Mr. Mahoney for the splendid address he gave at the late Liberal Conservative Convention in Moncton. He is a loyal hearted Irishman, loyal to his faith, and loyal to his party, Liberal Conservative, and truly Canadian. He was ready to give a reason for his political stand and warmly supports Mr. Meighen, for his well defined policy on the fiscal and Railway Affairs of the Dominion.

The Foundation of Health is Habit

"For every man who has lost his life by what he did in the last five minutes a hundred men have died because of what they had been doing in the last five years."

Life is made up of habits. There is the health habit. And also the habit of ill-health. It is surprising what a lot of people have developed the latter.

What hosts of women have bilious spells and bilious headaches about every so often, year in and year out, and never think of correcting the action of the liver, and thereby removing the cause of this oft-recurring trouble.

They have formed the habit of being bilious.

Many are the men, indoor workers as well as those who spend their time in the open, who frequently suffer from backache, and yet neglect to get the kidneys in healthful condition.

It is the backache habit which is robbing life of its pleasures for them.

These are dangerous habits.

Some people live for many years with their systems poisoned by impurities—they live and suffer.

Others soon develop Bright's disease, diabetes, high blood pressure or hardening of the arteries, and quickly have their lives snuffed out.

The greatest rule of health is "daily movement of the bowels."

This is also the most valuable of health habits.

To get back to this rule, to awaken the sluggish action of the liver and kidneys, to cleanse the system and

purify the blood, there is nothing like Dr. Chase's Kidney-Liver Pills.

By using one pill a dose at bedtime two or three times a week, just as often as is necessary to keep the bowels regular, you will in a few weeks restore the healthful action of these filtering and excretory organs

Bilious Headache

Mrs. John Ireland, R. R. No. 2, King, Ont., writes:

"I was a great sufferer from severe headaches and bilious spells. I tried a number of remedies without obtaining any benefit until I was advised to use Dr. Chase's Kidney-Liver Pills. These completely relieved me, and made me feel like a new person. I am very grateful to Dr. Chase's medicines for what they have done for me, and you may use my letter for the benefit of others."

Rheumatism

Mr. George Weathers, Huntsville, Ont., writes:

"I was troubled with rheumatism for eighteen years, and although I tried a number of different treatments nothing did me any good. Finally I tried Dr. Chase's Kidney-Liver Pills, and can truthfully say they completely relieved me."

and correct any derangements of the digestive system.

Dr. Chase's Kidney-Liver Pills will help you as nothing else can to get back to the habit of healthful living.

You will live a longer and a happier life by reason of their use.

These letters will interest you, and a test of Dr. Chase's Kidney-Liver Pills will prove their exceptional merits in relieving the common, every-day ills and preventing the more serious ones. Edmandson, Bates & Co., Ltd., Toronto.

Kidney Trouble

Mr. George Stevenson, Routhwaite, Man., writes:

"For seven months I suffered from Kidney trouble, backache and dizzy turns, and could get no relief. My back ached so severely that I could not turn in bed, and finally I had to quit work. One day I received a copy of Dr. Chase's Almanac through the mail, and after reading how highly Dr. Chase's Kidney-Liver Pills were recommended, I gave them a trial. I had tried various other pills and remedies with no effect whatever, but immediately I started using Dr. Chase's Kidney-Liver Pills I got relief, and two boxes made me well."

NORTH SHORE ASSIGNMENT

Robert J. Hubbard, of Nelson, Northumberland county, has assigned to the Canada Permanent Trust Company.

People in Canada who thought Mr. Meighen in the right in 1917,

when he so splendidly championed their cause, and the cause of liberty and the Empire, will not be likely to withdraw their support from him when the main attack directed again at him in certain quarters is in regard to his patriotic stand in those perilous and soul-stirring days.
