

# Students, Attention!

## Rare Chance to Secure a College Education.

We have made arrangements that enable us to place within the reach of a limited number of deserving students, opportunities for securing, on easy terms, a classical or commercial education. A little work during the vacation season will secure this for the one worthy striving for such a boon, but who may not be in possession of sufficient money to realize his heart's desire. The facilities at our disposal enable us to offer a year's board and tuition at

### St. Dunstan's College

to any three young men who will fulfill the necessary, easy conditions required. These may be beginners, or former students of the College who have not been able to complete their course. In addition to this we have at our disposal four scholarships at the

### Union Commercial College

of Charlottetown. A full course in this excellent Commercial College may be won by any four young men or women, in town or country, who will fulfill the easy conditions we require. Whenever anyone satisfies the requirements in either of the cases enumerated he or she will be given a certificate entitling the holder to the educational advantages offered. A rare opportunity is here placed within reach of those desirous of acquiring a good education, and no time should be lost in taking advantage thereof. Only a little work is required in order to secure the coveted boon, and all can easily be accomplished during this summer's vacation, so that the winners may enter either college at the opening of the next academic year.

For particulars apply in person by letter to the editor of the HERALD, P. O. Box 1288, Charlottetown, P. E. I.

### LOCAL AND OTHER ITEMS.

The Banquet in aid of the Charlottetown Hospital opened in the Market Hall yesterday and is now in full blast.

Four men were killed and five injured in an explosion of gas in the Market Street Subway, Philadelphia, last Friday morning.

The Knights of Columbus had a demonstration today. They marched to the Cathedral where a solemn Mass was celebrated and a sermon was preached by Rev. Father Hazleton, S. J.

Bernard D. McDonald of Mount Stewart was admitted to the Bar of Nova Scotia in the Supreme Court at Halifax on Friday last. Mr. Justice Longley presiding. The motion for admission was made by Mr. W. B. A. Ritchie.

Premier Fisher, Mr. George E. Hughes and A. B. Warburton, Esq., are now in Ottawa in connection with the conference of the Provincial Premiers. The question of increased subsidies to the Province is to be considered at this meeting, we are told. Shall we get the money?

On Thursday night last the barns of Alexander McEwen, Blue Point, in the West River District, were totally destroyed by fire, together with their contents, including a large quantity of hay and straw. Origin of fire unknown. No insurance.

We regret to record the death of Mr. Patrick Cullen of this city, which took place at St. Paul, Minn., on Monday. He was there on a visit to his son, Rev. Thomas Cullen. Mrs. Cullen was hurriedly summoned to his bedside last week. He leaves to mourn a widow and three sons. R. L. F.

The ferry steamer Elfin, plying between here and Rocky Point, was discovered to be on fire early Sunday morning. The fire alarm was sounded about six o'clock and the firemen responded. After a stream of water had played on the fire for some time the steamer was towed to the east side of the Ferry Wharf, where she soon filled with water and sank. She is a total loss. She was 24 years old.

Fears are entertained that disaster has overtaken a small schooner which left Charlottetown, N. S., last week, for the Gulf of St. Lawrence. She was last seen off North Cape on Sunday with all her sails torn and apparently helpless. There were three men on board, the Captain Charles Vano, Frank Gallant and James Gallant.

The wind on Sunday blew at a terrific rate. It was a regular gale. Round town some trees were blown down; at least one barn was unroofed, and a couple of yachts in the harbor were submerged. Two schooners came into Summerside harbor in the middle of the hurricane, having lost all their canvas. They came in under bare poles, but managed to save themselves.

Popular indignation against the action of the British Government has been aroused in Newfoundland, in consequence of the modus vivendi agreement entered into between the Imperial and United States Governments without regard to Newfoundland's rights. This is the contention of the Newfoundland Government who claim the rights of the fishermen of the ancient Colony have been sacrificed. The Bond Government threaten to resign as a protest.

In the trotting races at the Exhibition yesterday, Lady Bingen of Springhillables, N. S., won in the 215 class. Ada Mac, Summerside, second and Reta M, Halifax third. Time 2:17. The 225 race was won by Regal Pandoc, Springhill Sables, Cook of the North Summerside second and Kalol, Charlottetown, third. Time 2:24. The 235 race was won by Nellie Bang, Summerside, Robert C, Moncton, second. Time 2:26. Two other horses entered in this race were distanced in the first heat.

Two prisoners, who escaped from Deer Island in Boston harbor were tossed about all Saturday night on an old frail metallic raft. They encountered a squall, and were rapidly swept out through the outer harbor by a fast receding tide and a high and heavy sea. They had abandoned all hope of seeing land again, when they were picked up four miles east of Graves Lightship, by Captain Watson S. Dalliner, of the pilot boat Louise, who happened to be in the outer harbor on the lookout for incoming vessels. It was by the merest good fortune that they were discovered, as they were both practically exhausted and unable to do anything to attract attention from passing craft.
