

SUNLIGHT SOAP

Be advised in the choice of your Soap. Some soaps are dear at any price because they hurt your hands and ruin your clothes. But Sunlight Soap is a pure soap, and, therefore, a harmless soap. It does all the work in half the time, at half the cost.

Notes From Harbor Grace.

Mrs. K. Alcock and baby returned from Montreal by the express on Saturday after a pleasant visit to friends.

The British Society band are going to Bell Island on the 27th inst., accompanied by a number of their friends. A concert and dance will be held at the town and the excursion promises to be well patronized.

We regret to hear that Mr. John Walker, of this town, who has been at Grand Falls for some time, is expecting to have to get his leg amputated. A chill some years ago is said to be the first cause of the trouble.

We hope amputation will be found not to be necessary.

Rev. J. W. Bartlett preached his farewell sermon in the Methodist Church on Sunday last. The church was crowded and the congregation felt keenly parting with their beloved pastor. At the close of the service the beautiful words "God be with you till we meet again" was sung by choir and congregation. Mr. and Mrs. Bartlett leaves for St. John's to-morrow.

Mr. John Cooney, of Carbonear Road, had some potatoes for dinner on Sunday last. The potatoes were of a very fine size, but of course not "over dry."

Mr. Harry Davis, of the H.M., has some very fine early turnips, and on Saturday last had some on sale at the grocery store of Mr. E. Simmons.

Rev. Mr. Coffin, of St. Andrew's

Presbyterian Church, who is now enjoying a holiday at his home in Charlottetown, says, in a letter recently to a friend, that he expects to be back about the second week in August. We hope the rev. gentleman's health will be much benefited by the visit.

Messrs. Albert Rogers and George and Harry Pynn are the men spoken of last week as about to start a business here. The building formerly occupied by the Archibald people has been secured and machinery has been ordered for a real up to date wood manufacturing concern. The ability of the above gentlemen is too well known for any person to have a shadow of doubt about the success of the venture. We wish the enterprising firm much success.

The Messrs. Archibald Bros. and their male employees, to the number of about 50 people, having completed arrangements left by this morning's train for Piddleton stopping-place, where carmen, will be in waiting to convey their luggage to a point some four miles in on the New Harbor Road. At an early hour they began to assemble at the factory, which was to be the starting point (the provisions, boats, &c., having been sent to the station the previous day). About 7.30, headed by the managers, the whole male portion of the help marched in trouting, mosquito-defying costumes down Water Street and on to the train. All the baggage, etc., had been loaded on a flat car, and the party were soon on their way countrywards for four days' sport. Let us wish them pleasant weather, and with that the trip cannot be other than very enjoyable. Mr. R. T. Parsons is gone along, and his camera will give the boys some good reminders of the Archibald Brothers' outing for 1910.

C. L. B. Defeat Guards.

The fifth football match of the Brigade Division took place at St. George's Field, Tuesday evening, the M. G. vs. C. L. B. competing. A large crowd gathered to see the game. A stiff westward breeze blew, and the teams lined up as follows:—
M. G.—A Windsor, goal; J. Puddester, H. Taylor, backs; R. Piercy, C. Quick, S. Pike, halves; E. Ayre, H. Coultas, E. Quick, C. Fenwick, Barrett, forwards.

C. L. B.—Marshall, goal; G. Skeans, A. Barnes, backs; L. Stick, Stevenson, A. Bishop, halves; H. Bartlett, N. Hunt, H. Hayward, A. White, W. Oliver, forwards.
Winning the toss the Church Lads defended the western goal, and at the start rushed on their opponents, but Quick's excellent work saved scoring, and he drove the ball quickly up field. The C. L. B., however, were quickly on the ball again; Oliver and Bartlett did some nice combination work, and a good try was made for goal.

but Puddester neatly cleared. Shortly after the C. L. B. forwards made a descent on M. G. B. territory and Bartlett dropped the ball into the net, scoring one for C. L. B. The Church Lads played well, and the teams crossed without further scoring. With the wind in their favour in the second half the Guards repeatedly menaced the C. L. B. goal, but Marshall was impregnable, saved well, and the final whistle blew with no further scoring. C. L. B., 1 goal; Guards, nil. Mr. Higgins refereed the match.
