Spring Announcement!

"Like a bold champion I assume the lists,
Nor ask advice of any other thought,
But faithfulness and courage."

The winter frost and snow have lent their aid in harvesting the product of the forest. The logs are now gaily bounding through the open Rivers on their way to meet the onslaught of Circular and Gang Saw. The result will be Lumber in galore, and of the best.

The clean atmosphere, high winds and warm sun of Notre Dame Bay have united to provide the seasoning process in perfection, so that our 1910 stocks arrive here clean, bright and dry. Already several large cargoes have been landed at our wharves, St. John's, in spite of a late spring. Others are in course of transit.

We call upon our friends in St. John's, and through the length and breadth of the country to send us their orders.
