WEDNESDAY, February 2, 1916.

The Captured Appam.

American port by a German crew raises questions as to her fate. There is some suggestion that as she hoisted the German war flag and as she was re-ferred to as a German warship, she will be regarded as a warship. The conversion of a captured merchantman into a warship before a prize court of the captors' country has adjudicated upon the capture and con-demned the vessel as a prize is regarded as a doubtful proceeding in International Law, but that consideration is not likely to weigh with "Playing the Game" is a two-part so-cial drama, and "Fair, Fat and Saucy" Germany. It is a doubtful point as to the course a neutral should take in is the comedy. The Nickel has just received a big shipment of up-to-date war pictures, showing King George at such a case. It is unlikely that the United States will do anything in the matter, if Germany claims the Appam has been converted into a German cruiser, except to treat her as a warthe front, the capture of 30,000 Russians and many others. Everyone should be sure and see them. ship, and give her a time limit in which to decide to be interned or leave port. As she has no armamen run her as a warship, it is unlikely the British theatre to-day ought t

The splendid offering of pictures a that she would attempt to go to sea as a warship, where she would soon fall a victim to British cruisers. She cannot get guns in a United States leaders. Mary Fuller is the leading

port nor supplement her crew. Under these circumstances we think it probable that she will be claimed by Germany as a prize captured by a German warship and taken into a films. Owing to an error in shipment neutral port by a prize crew. As might be expected the capture of an enemy ship by a belligerent and the taking of it into a neutral port by a neutral port by a prize crew. As the weekly instalment of the Black Box will be deferred until next week. This afternoon there will be a matinee performance at 2.30. prize crew does not raise a nev question. Such cases occurred pre-viously and judgments are on record

ILLUSTRATED LECTURE. viously and judgments are on record.

Doubt is expressed about the principle of condemnation in such cases.

The practice of the Prize Courts of Great Britain is to condemn a vessel of an enemy captured by the British Navy which has been taken to a neu-Navy which has been taken to a neutral port, and the sale of the vessel Lecture: "Through Newfoundtral port, and the sale of the vessel after condemnation by the Court is held to convey a good title to the purchaser. The Supreme Court of the chaser. The Supreme Court of the slides. In addition, slides illustrated by eighty excellent lantern slides. In addition, slides illustrated by eighty excellent lantern slides. In addition, slides illustrated by eighty excellent lantern slides. In addition, slides illustrated by eighty excellent lantern slides. In addition, slides illustrated by eighty excellent lantern slides. In addition, slides illustrated by eighty excellent lantern slides. United States has adopted the same practice and has justified it on the principles of convenience to belligerents as well as neutrals. What is

condemn the Appam as a prize, and will hold that although the prize is in J. Edens fact within neutral jurisdiction, that being in the control of the captors, the possession is that of the Kaiser.

Mr. M. J. O'Mara, Inspector of Weights and Measures, is again O.K. after a recent sick lay-off. Mr. George Tessier, of Ferryland, came to the city yesterday by the Southern Shore train.

FIRST MAN TO JOIN. - A go story, though perhaps somewhat old now, comes from Sydney, C. B. When-the volunteer movement was first formed some little difficulty was experienced in getting young men to join. A young man named Joseph Bruce belonging to Birchy Cove, Newfoundland, and then employed as engine driver in the D. I. & S. Co.'s yard, was the first volunteer for service abroad. He also secured several re-cruits for his company, and received commendation from the Cape Breton
