TO-NIGHT'S BIG SPORTING ATTRACTION, PRINCE'S RINK.

The combined indoor sports meet by the St. Bon's and Guards Clubs, will be held in the Prince's Rink to-night, under the patronage of His Excellency the Governor, commencing at 8 o'clock. The programme, of 21 items, prepared by the Committee, is all that can be desired and those who patronize the big meet will have an interesting night's amusement. Some sixty athletes, who have undergone

strict training for the past two weeks, have entered, and feel in fine fettle for the fray. The feature event, of the programme will be the Relay Races and the Tug-o-War, between St. Bon's and Guards athletes. In the High Jump to-night, Gordon Baker, of the Guards, is expected to set up a new Newfoundland record. He has cleared the bar 5 ft. 6 in. in practice, which is two inches above the record mark made by R. Culhane on St. Bon's Campus in 1906. The prizes to be competed for are of a varied collection and will be presented to the winners after each item. Amongst those who will patronize the sports, besides His Excellency the Governor, are the Prime Minister, Hon. W. S. Monroe; and His Worship the Mayor, Hon. Tasker Cook. The judges conducting the meet to-night are as follows:—Captain of Track, S. P. Cullen; Timekeepers, J. M. Tobin and C. Hall; Messrs. W. Noel, B. Hayward, S. R. Steele, G. Burnell, F. James, J. W. Morris.

NEW DEFENCE RULE MADE AT MEETING OF N.H. LEAGUE.

MONTREAL, Nov. 16.—Seven teams will compete in the National Hockey League this season. Pittsburgh was admitted to the pro-hockey circuit at the annual meeting of the league here Saturday afternoon; the Ottawa club having withdrawn their objections to the entrance of Pittsburgh, so that their inclusion in the loop was unanimous.

Playing rules were altered. The anti-defence rule which has been in vogue in pro hockey in the west recently, was adopted by the league at its sessions. This will allow only two men of a team, exclusive of the goalkeeper, from standing behind their own blue line to await the advancing puck.

"Ragging Puck."

Regarding the "ragging of the puck" by the side short a man, and wanting to adopt defensive tactics, the league ruled that the team should be penalized and the puck faced off again when the played carrying the puck stopped with it. It was felt by the representatives of the league that the side with the odd man should make it a point to go after the puck, and that as long as it was kept moving there could be no satisfactory rule made to half the defensive of a handicapped team.

The goal keeper's pad in future will be limited to 12 inches of exposed surface. Another rule embodied in the code was that practised last season regarding the automatic suspension after three major penalties received by any one player in a season. In the event of suspension and later reinstatement three more major penalties will be necessary before the next suspension the player once having been suspended and reinstated starting off again with a clean sheet. To clear up possible arguments over the ending of a game, it has been definitely settled in the rules that the timekeepers'

bell ends each period of the game and not the referee's whistle, this regardless of the position of the puck.

The opening game will be played at Pittsburgh on Thursday, November 26, the United States' Thanksgiving Day, when Boston Maroons will be the opponents of the new team in the circuit.

SIKI APPLIES FOR CITIZENSHIP PAPERS.

NEW YORK, Nov. 16.—Batling Siki, conqueror of Georges Carpentier, the French light-heavyweight, appeared to-day at the naturalization bureau in the federal building and made application for his first citizenship papers.

Siki was ordered deported within seven days last August, but on direction of the secretary of labor was permitted to extend his visit in this country until January. Last August he was forbidden to visit Canada by the immigration authorities who said he was looked upon as an undesirable alien.

INDOOR ICE MEET TO BE HELD AT NEW YORK.

NEW YORK, Nov. 16.—The 1926 International indoor ice skating championships will be held in the new Madison Square Garden, February 28, March 1 and 2, if the application filed with the International Skating Union is ratified. This was revealed to-day by James M. Savage, President of the Middle Atlantic Association. This blue ribbon indoor skating meet of the season, will bring to New York the outstanding amateurs of Canada and the United States.

The present champion is Joe Moore, of New York, who won the title at Pittsburgh last year, for the second straight time and will defend it this season.

WILL LOCATE IN NEW YORK FOR SEASON.

J. E. "Gee" Ahern, several years sporting editor The Herald (Halifax) and prominent in local baseball, football, hockey and other sport, will leave next week for New York where he will spend the winter. Ahern's departure will rob the Crescent Club of one of its mainstays of last season.

THRILLING CONTEST.

Terrific Blows Between Rolfe and Hood.

The fight between Joe Rolfe, of London, and Jack Hood, of Birmingham, only lasted ten minutes, but it can be truthfully said that it was a dozen fights crowded into one.

The third round will not quickly be forgotten by those who saw it.

After giving and taking sufficient punishment to satisfy most men, Rolfe

was suddenly driven beneath the ropes but, still on his legs, where for several seconds he was the recipient of a hurricane of blows. Extricating himself he rushed at Hood and staggered him with a right flush to the point. For an instant it looked as though Hood, who trembled from head to heels, would go down, but, like Rolfe, he recovered with marvelous rapidity and started a period of sheer "bawling" that, instead of producing the customary tumult of noise, compelled a silence that could almost be felt.

I have never known a minute like this. It was like sitting in a Cathedral. There was scarcely a person in the building who was not sitting far forward in his seat and breathing heavily.

Too To Toe.

When the men returned to their corners it was seen that both were feeling the effects of punishment, but so well trained were they and so eager to resume that as soon as the bell went they were at each other again, toe to toe.

For twenty seconds it was hammer and tongs; then Hood, steadying himself, shot over a right cross to the chin that dropped Rolfe squarely on his back. He regained the upright after eight seconds, only again to be put down with lefts followed by a right.

His second count was seven seconds and the next, which immediately followed, was nine seconds. By then Rolfe was in a vedy bay way indeed, shaking his head and giving other signs that his endurance had run out. He made a valiant attempt to rise, but while doing so Mr. J. H. Douglas, the Referee, stepped to the ringside and mercifully said, "That's enough."

His action was loudly applauded, the spectators realizing that further punishment to a very gallant loser would have been inexcusable.

Rolfe, although beaten, has improved. This means, of course, that his conqueror is a discovery of the year. Hood, to put it shortly, is so good that he cannot possibly be omitted from the next fight for the welterweight title. Only 21 years of age, and finely fashioned, he is the sort of a boxer and fighter combined to win world's championships.
