#### OATS TOOK ANOTHER JUMP IN PRICE TODAY

A Few Loads Sold for 28 High as \$1.40 Per Cwt.

Oats took another upward glide on the local market this morning, a few loads selling for \$1 40 per cwt. Prices have contracted the habit of breaking records, evidently, and are doing the trick regularly of lots. The present figure is the highest on this year's crop, and at the present rate last year's record of \$150 will soon be

Very Little Grain. The farmers have but little grain of any kind to sell, it is said, and are keeping back wheat and oats for seed pur-poses Buyers are still crying for more, and prices would not drop a cent were by loads brought in tomorrow, according

LIVE STOCK. OLD COUNTRY PRICES.

Glasgow, March 15.—Edward Watson & Ritchie report 129 cattle on offer; short supplies, trade good; prices 130 to 134c; secondary, 12c to 124c; bulls, 10c to 104c TORONTO.

Toronto, March 15.—"Prices can go no higher. They have reached the limit, and butchers are paying more now than they can get back again from the qual-INSURANCE

FIRE -- A OCIDENT -- LIFE

ity of cattle offering," said a prominent dealer this morning. Nevertheless, the trade was brick at the comparatively high prices now prevailing, and strengthened as they were by another very light run of cattle on hand. The run was only 45 loads all told, including nine or ten loads of export cattle, leaving a small supply of butcher cattle available. The high prices going, however, checked the demand somewhat, thus steadying the market. Except for a few picked extra choice butcher cattle, which sold at around \$5, and in some cases a little more, the general run of butcher cattle sold steady and firm at last week's prices.

Choice export cattle are steady at \$5 25 to \$5 50.

The run was 45 loads, with 886 head of cattle, 80 sheep and lambs and 24 calves.

Exporters—Market steady to firm; good demand.

Butchers—Steady demand for choice prices at the seady and firm at 2 calves.

The reclassification of the ordnance stations in Canada, as announced in an

Ottawa, March 16 .- The census and statistics office has issued a statement of the quantities of grain, hay and roots on hand in Canada at the end 142% of February, and the condition of live 32½ stock in the country at that date. The statement says: statement says:

tle on Hand Throughout

the Dominion.

The reports of correspondents made to the census and statistics office at the end of February show that the quantity of wheat then in farmers' nands in the whole of Canada was 20.22 per cent of the crop of last year, which is 22.747,000 left out of a total product of 112,434,000 bushels. oats there was 43.62 per cent, being 109,222,000 out of 250,377,000 bushels. Of barley there was 33.56 per cent, being 15,692,000 out of 46,762,000 bush-Of buckwheat there was 29.05 per cent, being 2,078,000 out of 7,153,-000 bushels. Of potatoes there was 44.10 per cent, being 32,542,000 out of 32½ 73,790,000 bushels. Of turnips and other roots there was 39.18 per cent, being 39.671,000 out of 101.248.000 bushels. Of hay there was 34.51 per cent, being 3,952,000 out of 11,450,000 tons. Of fodder corn there was 36.86 per cent, being 1.079,300 out of 2.928. 000 tons. In the provinces of Manitoba, Saskatchewan and Alberta the quantity of wheat in farmers' hands at the same date was 18.93 per cent, being 17,391,000 out of a total product of 91,853,000 bushels. Of oats there was 45.93 per cent, being 44,425,016 out of 96,718,000 bushels. Of barley there was 33.63 per cent, being 7, 722,000 out of 22,926,000 bushels. the case of each of these crops the quantity in farmers' hands indicates what is available for seed and for consumption in the country between the 1st of March and the gathering of 660 the next harvest, while the difference between the total product in each case and the quantity in hand indicates what has been sold and consumed at home since the gathering of the last

trade and commerce made up to the also somewhat affected. date of 1st of March shows that (57.909.600 bushels of wheat, 13,939,- ing. 200 bushels of oats, and 2.896,800 bush-

It will Vader will regret to hear that she is not be very long at this rate before the supply here will be exhausted, and W. B. Davidson, 804 Dundas street. then, of course, prices will go up."

Local Prices. Potatoes have been seiling at from 55 to 65 cents a bag here all winter. and there has been plenty to meet the demand. It is not likely that the great majority of citizens will suffer, as many of them at the beginning of the winter laid in enough to do them until the new potatoes arrive. Many of the local grocers have also laid in quite large supplies, but as soon as these are exhausted and they have to get more, they will find prices much stiffer.

Correspondents of Bertron, Griscom & Jenks, Banker, New York, the Canadian Pacific Railway came to power committee, have been sub

a sudden termination this morning poenaed, and will attend court. after Harry Turner, the fireman on the engine, had been under examination for over two hours, when Mr. Gibbons announced to his lordship that the case had been settled. Under the workman's liability act,

offered to settle for \$1,000, Mr. Gibbons decided to accept that amount.

The case was a very complicated one, and Turner's evidence proved very confused, and made the uncertain, so that Mr. Gibbons thought it best to accept the settle-

#### P. M. RESTORES THE OLD RATES

Grievances of the Westminster People Are Smoothed Over

The difference between the residents of half of Mr. R. H. Smith, and Mr. T. Westminster and the Pere Marquette has G. Meredith, K. C., will represent the been adjusted, and the old tariff will be city. Word to that effect was received b

by Mayor Stevely.

Mayor Stevely this morning from Mr. F there had been inspected at Winnipeg today, however, although Frank, who H. Moeller, of Detroit, general passenger agent of the company. The old fare will be on the five-mie measurement. Mr. Moeller, in his letter, states that rather than disturb the amicable and company and the city, and the small amount involved, it was decided to base the fare on a five-mile measurement

which is giving the Westminster residents practically all they desire. Well, Well, Well! He also pays his respects to the residents of Westminster by stating that they seem to take great pleasure in being continually dissatisfied with the efforts of the P. M., and cause more trouble than any one town in fact. than all the towns combined along the line. He expresses the hope that the

new arrangement will be entirely satisfactory to them.

The New Tariff. The new tariff is as follows: Single, 15 cents; return, 25 cents; 26-ride adult ticket, \$1 95; 52-ride adult ticket, \$2 60: 26-ride tickets for students, \$1 52-ride tickets, students, \$1 30. The Saturday rate of 15 cents return is abolished. It is pointed out that the commutation tickets would give pasgelistic sermon at the revival service sengers a fare of 10 cents return, and that should be ample.

Mayor Pleased. His worship is more than pleased with the outcome of the negotiations, and complimented the company very highly on

their generous treatment on this occa "The company has always tried to be generous and fair," said his worship. "I think the new arrangement will be satisfactory and that harmony will

# prevail. WILKINS CASE

But the Terms Are Withheld by the Parties in the

At the assizes court today it was an-Dundas street had been settled out of freshing.

It has been arranged between the parties that the terms of settlement should be kept secret, but Mr. J. M. McEvoy, the solicitor for the plaintiff, is the authority for the statement that his client has received a very substantrain which on Sept. 21 last, owing to tial sum in settlement of his claim. It will be remembered that the case In the procession of two hundred ville, as it is claimed, ran into another was entered for \$10,000 damages. Josin doing so struck his knee, causing having had improper relations with his wife, Edith Wilkins, and of having alienated his wife's affections.

The case, as was stated, has been setled, without being brought in court, by the payment to plaintiff of \$1,300. Edith Wilkins against Joseph Wilkins. an action for alimony, which has arisen out of this case, in which no settle-

# **ASSIZE COURT**

Mayor and City Clerk Subpoenaed and Ordered to Bring Copies of Contract.

The action of Smith vs. the City of London, an action to prevent the city council entering into the contract with the hydro-electric commission for the purchase of power will be tried at this assize court. Mayor Stevely, City Clerk Baker and

This morning they were handed another subpoena ordering them to bring copies of the contract. estimates figures, and all such information as will

have a bearing on the case. The city has not a certified copy the plaintiff could only have expected of the contract signed by the mayor. to recover an amount equivalent to It will be remembered that all the three years' wages, amounting to municipalities in the Niagara power something over \$2,000, and when the zone signed one contract which was sent around. That has been returned. presumably to the hydro-electric commission. City Clerk Baker has what purports to be a copy of it, but it is

not certified to. So far as can be learned there is little other information available, as there are few figures in his keeping.

A Cause Celebre. The case has become a cause celebre. It was entered in June of last year. Since that time, it has traversed a number of courts throughout Canada. It has been appealed several times, or

lifferent grounds. The city moved to have the case thrown out as frivolous. Then there was an attempt made to have the hydro-electric commission declared codefendants, and appeals were taken on

Legislation is pending to validate the contracts, but whether it will have any effect on the litigation remains to

SAM E. KISER. The Most-Quoted Man in America. Although he is only a little over 30 years of age, Sam Kiser has produced seven volumes of verse and prose. Every day this versatile and prolific genius writes a column of humor 10, the Chicago Record-Herald under the heading of "Alternating Currents." And every day his witticisms are reproduced in hundreds of journals throughout the United States and Canada. He is visiting London this week by invitation. On Thursday he will speak at the Canadian Club luncheon. and in the evening will give a lecturenounced that the case of Joseph Wil- recital at the Auditorium.
