provisional government of Upper Silesia in February, 1920, and held authority when the plebiscite was held there, and when it is going to be. The rate is 2 cents per word or 15 cents per line. when Polish insurgents directed by Adalbert Kerfanty took control of virtually the entire plebiscite area. There was sharp criticism of Gen. Lerond following the Polish revolt, it being asserted that he had knowledge of the impending critical situation, and had ing of today's session. Early gains of failed to take steps to checkmate the Poles. Mr. Lloyd George joined in the criticism of Gen. Lerond, but Premier Briand of France took no formal notice elative to the statements of the Brit-

sh prime minister. Gen. Lerond declared he had informed he Allies of the Polish insurrection, and had asked for troops, but added that the number of soldiers under his com mand was not sufficient to preserve order. Most recent reports have asserted that British troops sent into Silesia would not co-operate with the French forces there while Gen. Lerond

COUNCIL MAY START **PUBLICITY CAMPAIGN**

Tell the World What a Fine Place London Is.

At the regular meeting of No. 1 com mittee of the city council postponed from yesterday till 4 o'clock this afternoon among the matters which will come up for consideration will be a proposal that the city council undertake publicity campaign through the medium Colborne (with Simcoe)-Horton and of the newspapers, the letter making the suggestion containing the showing the great scope of such a plan to make known to industrial concerns

seeking locations and to people seeking a real live residential place for their home, the great advantages that London possesses in connection with both these desires over other locality. The report of the Ontario Railway and Municipal Commission on its operation of the London Street Railway will be

received and discussed cation for the issue of debentures to paid farmers by some of the buyers permit the purchase of the property Wa are running our fortons of the property at the rear of the west wing of the Tehnical School to perit of extension of capacity, and everything in coly was the opinion expressed at the city position to make returns to the growers likely be made to the fact that this item whose tobacco we sold shortly." hall today, but some exception will likely be made to the fact that this result was not provided for in the estimates.

It is understood that the board's reply growers are selling as ridiculous. will be that the proposition has developed since the time that the estiNews-Tribune, and wife left yesterday mates were struck.

A letter will be read at the meeting from Secretary W. A. Taanner of the bord of education, objecting to the request of the city council that the board pay \$350, its one-fifth share of the cost of the January elections. The letter points out that no appropriation was made for this item, that the board at the urgent request of the council cut its estimates to the limit, and that such a request has never been made before.

Continued From Page One

because they were neither in a condition to do so. He said that he and the doc-tor had been drinking heavily. Consumed Liquor.
They consumed a bottle of Scotch

whiskey and some gin. The doctor wanted to go out on a party, and asked him if he knew any girls. He said he did not. Dr. Rankin went out into the hall of his apartment, and he saw a lady going into No. 10. He came back and asked witness if he knew her. Witness said he had seen the name Amyot tor called up the lady on the phone and was, witness said, abruptly shut off. Later in the evening Mr. ren came in to discuss the oil leases They were all in a friendly mood. He went into the kitchenette to mix some drinks, and while there he heard a crash of glass. He ran out and found the doctor in the hall, bleeding. The glass in his front door was broken. He got central to send for a doctor, and ne Western Hospital ambulance came When he found the doctor in the hall n unknown woman was standing near

him. Two ladies, Miss Clothilds and Miss who were detained by the police as witnesses, and who lived in Apartment testified that they knew nothing o the affair, beyond hearing the crash of glass. They did not know Dr. Rankin, Mr. Gunn or Mr. McEachren.

Physician Testifies.

A Miss Tessie Kerecher, who lived at Apartment No. 11, said the glass in her front door was broken, she did not know by whom, but when she opened her door she saw a man's body on th floor in the hallway. Previous to the crash of the breaking glass she had heard only a slight scuffle in the hall.

Dr. McTavish described the wounds
on Dr. Rankin's body. He said undoubtedly the injury in the abdomen was caused by glass, because portions of the window of the apartment were found in it. He could not swear that the injury to the right arm, a deep gash the arm and through the artery, was not caused by some sharp instrument, such as a knife and he could not swear that it was no
