ing Conference. ATLANTIC CITY, N.J., Aug. 28 .- The

xecutive council of the American Federation of Labor at a brief meeting today sent a cable message to Mr. Lloyd George, British prime minister, urging him to continue the truce with the Sinn Fein in Ireland until after the forthcoming disarmament conference at Washington, no matter what the outcome of the present peace negotiations with the Irish Republican leaders.

Members were reluctant to discuss the contents of the cablegram, which was drafted by President Gompers. The message, which was ordered by the recent convention in Denver, would have gone forward some time ago, it was explained, had it not been for the pending peace negotiations between the British Government and the Sinn Fein.

The council, in asking the British prime minister to prolong the truce, it is said, believes that with added time solution and basis on which to formulate an agreement will be found. President Gompers tonight made pubic his appeal to the labor movements of the nations that are to participate
