WOODSTOCK CHARITY BILL WILL SHOW OVERDRAFT

Woodstock, Sept. 16 .- Charity costs borne by the city of Woodstock this year have already exceeded the ap-propriation for this purpose, and with over three months' expenditures with over three months' expenditures still to be met, a substantial overdraft will likely occur in the charity committee's finances. Charity costs for July and August, months in which industrial conditions were vastly improved over those which existed last winter, amounted to \$298.98.
