

Hair Health.

A thin head of hair makes you look five years older than you are. A bald spot gives the world a chance to credit you with ten years more than you are. Perhaps you are one of those people who regard dandruff only as an annoyance. It is that and more. It is a disease which in time is bound to make your hair thin. Don't wait until your hair actually begins to fall out. Use the Oriental Hair and Quinine Hair Tonic now. It is a healthy. It cleans the scalp and stimulates hair growth. Not only not a dye, 50 cents. Ladies' Hair Soap, only 12c. and dandruff. Try one cake.

Toronto capitalists are interested, and Mr. Humble, who has recently effected a strong financial and political alliance in Montreal, may let a few of his friends there in on the ground floor.
