REV. E. W. PANTON, Of Stratford, Retiring Moderator of the Synod of Hamilton and Lon-

Completed in the Investigation Into faltering of the weakest saint served to retard the progress of the church and of the kingdom of heaven. As a Judge Edward Elliott now has in his church during the last two years, hands the complete evidence and argument Presbyterianism had in the century fund given some indication of their sense of this responsibility. By this fund they had been enabled to free most of the churches from the millstone of debt which had oppressed heard in Judge Elliott's chambers at the them, thus giving an immense impetus forward. Boundless possibilities City Solicitor Meredith quoted copiously for splendidly aggressive work lay in from the evidence taken during the inthis fact. The field was white to the vestigation, covering the whole case very harvest. The century fund had dethoroughly, and pointed out that there monstrated the church's financial was no doubt a wholesale attempt had strength and her ability to respond to appeals to all that was highest and been made to stuff the ballot boxes and noblest. A great work lay before the defeat the election of Mr. Beck. In sum-Christian church in the mission field, ming up the evidence as far as the conand a great responsibility lay on the Presbyterian Church that she should do her share of it. Since they had last met two of the church's greatest missionaries had been called to their
