### What Our Trade-Mark Means to You

It means that the flour contained in bags and barrels so trade-marked is decidedly whiter, a great deal stronger and more nutritious than other flours.

It means that the flour has been properly aged to mature its full strength.

It means "More bread and better bread" and better pastry, too.

It means elimination of uncertainty—"your money back" if Purity fails to give entire satisfaction.

Costs more than the other kind, but worth the difference.

### COULD NOT GO TO WORK BACK WAS SO WEAK.

Backache is the primary cause of kidney trouble. When the back aches or becomes weak it is a warning that the kidneys are liable to become affected.

Headache, dizziness, check the Backache and dispense of any chances of further trouble.

If you don't, serious complications are very apt to arise and the first thing you know you will have Dropsy, Diabetes or Bright's Disease, the three most deadly forms of kidney trouble.

Mr. James Bryant, Arichat, N.S., was troubled with his back and used Doan's Kidney Pills. He writes: "I cannot say too much about the benefit I received after using three boxes of Doan's Kidney Pills. I was greatly troubled with an aching pain in my back and my back was so weak I could not go to work. I would go away for a few days but would always return. I was advised to try Doan's Kidney Pills and I must say they completely cured me."

Price 50 cents per box or 3 boxes for \$1.25 at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

### Heart Strength

Heart Strength, or Heart Weakness, is a common ailment. It is not one weak heart in a hundred. It is actually a disease. It is a disease of the heart muscle, the heart muscle is the engine of the body. It is the engine that pumps the blood through the arteries and veins to the various parts of the body. If the heart muscle is weak, the blood is not pumped properly and the body suffers. The symptoms of heart weakness are: shortness of breath, dizziness, fainting, palpitations, and a general feeling of weakness. The cause of heart weakness is often a lack of exercise, a poor diet, and a general state of nervousness. The cure for heart weakness is to strengthen the heart muscle. This can be done by regular exercise, a healthy diet, and a general state of calmness. Dr. Shoop's Restorative is a powerful medicine for heart weakness. It contains the most potent ingredients for strengthening the heart muscle. It is a true heart strengthener and will cure heart weakness in a short time.

### THEIR HOPE, THE PEOPLE

Muskoka's Brave Battle for Needy Consumptives.

It is poor consolation to needy consumptives to say that the Government should make provision for the thousands who suffer and die from tuberculosis in Canada every year. The Government should do a great deal more than that. They are not doing it, and in the meantime twelve thousand die annually in the Dominion, from this dread disease.

As the situation is to-day, what would be the fate of many consumptives in Canada were it not for the two Muskoka Houses for Consumptives in Muskoka? During the past eleven years, against many odds, have been cared for upwards of three thousand patients in the earlier stages of the disease, while in the two sister institutions, the more advanced stages are treated.

This work in Muskoka is one of pure philanthropy. From the day the first patient was admitted to the Muskoka Free Hospital for Consumptives in April, 1902, not a single applicant has ever been refused admission because of his or her inability to pay.

The Government contribute \$1.50 per week per patient. The cost of maintenance is \$0.35 a week. The difference in the cost of maintenance of all needy patients has through these years been made up by private philanthropy.

The Secretary-Treasurer of the Association, Mr. J. S. Robertson, 347 King Street West, Toronto, writes us that with the financial depression of the past year, the funds of the Muskoka Free Hospital for Consumptives have suffered greatly. At the commencement of the winter season the Trustees have to face a heavily overdrawn bank account and have many obligations to meet.

Despite these financial worries every applicant is receiving careful consideration and patients are admitted as promptly as beds are made vacant. All through these years the institution has been maintained, not by any rich endowment, for such does not exist, but by the generous contributions of the masses of the people—the small sums rather than the large ones.

Frankly say that we do not know, in our experience, of a more worthy and deserving charity, and our hope is that the readers of these lines will respond to the appeal that is now made for funds for the Muskoka Free Hospital for Consumptives.

Contributions may be sent to Mr. W. J. Gage, 84 Spadina Ave., Chairman of the Executive Committee, or to J. S. Robertson, Secretary-Treasurer of the National Sanitarium Association, 347 King Street West, Toronto, Ontario.

### DR. WOOD'S NORWAY PINE SYRUP

Is A Remedy Without An Equal FOR COUGHS, COLDS, AND ALL AFFECTIONS OF THE THROAT AND LUNGS.

Coughs and Colds do not call for a minute recital of symptoms as they are known to everyone, but their dangers are not understood so well. All the most serious affections of the throat, the lungs and the bronchial tubes, are, in the beginning, but coughs and colds.

Too much stress cannot be laid upon the admonition to all persons affected by the insidious earlier stages of throat and lung disease, as failure to take hold at once will cause many years of suffering, and in the end that terrible scourge of "Consumption."

Dr. Wood's Norway Pine Syrup is not sold as a Cure for Consumption but for affections tributary to, and that result in, that disease. It combines all the lung healing virtues of the Norway pine tree with other absorbent, expectorant and soothing medicines of recognized worth, and is absolutely harmless, prompt and wonderful remedy. It is only natural that numerous persons have tried to imitate it, but "Dr. Wood's" Put up in a yellow wrapper; three pine trees the trade mark; price 25 cents.

### A Combined Treatment That Really Cures Catarrh.

Canadian weather, with its extreme cold and sudden changes, gives almost every one Catarrh, and makes it hard to cure. Some recommend internal remedies, some external applications.

Father Morrissey used both—tablets to be taken three or four times a day to invigorate the system, purify the blood, and help it throw off the disease, and a soothing, healing, antiseptic salve to be applied inside the nostrils. This combined treatment known as

### "Father Morrissey's No. 26"

attacking the disease from within and without, soon cures. Mr. F. L. Mills, Box 321, Springfield, N. S., wrote on August 12th last: "I have had two prescriptions for Catarrh from Father Morrissey, No. 1 and No. 2. I have used No. 1 for some time and it has done me the most good, and that is the one I am getting filled from time to time. I would recommend this prescription. It is full for Catarrh, and his tablets are the only remedy I can get to help me. The No. 26 Tablets are a great tablet."

Don't trifle with Catarrh—cure it with Father Morrissey's No. 26. 50c for the combined treatment at your dealer's. Father Morrissey Medicine Co. Ltd., Chatham, N.B.
