our personal attention. The length of time tak-
ing to fill orders is governed very largely by how
busy we are in the department of our factory in

THE COUNCIL HOLD SPECIAL MEETING

Apportionment of Assess-
ments Made at Tuesday's
Meeting

INTERESTING SESSION

The Town Council held a special
meeting on Tuesday evening under
the chairmanship of His Worship
Mayor Murray for the purpose of
dealing with the current year's as-
sessments. Present Councillors
Sansom, Lunan, Ellsworth, Miller,
Pinault and Alexander. The min-
utes of the previous meeting were
read and confirmed.

A communication was read from
the secretary of the Board of Health
regarding the motion of the council
with reference to insanitary places
on the Tobique Road, and enclos-
ing a resolution that all owners
living within the area of the sewer-
age system be compelled to connect
to the sewers. Letter was laid on
the table for further discussion.

The accounts of the Board of
Health amounting to \$100.80 were
ordered to be paid.

A communication from S. M.
Moore regarding land on Rosebury
street used by the town was laid on
the table.

Communication from Timothy
Mann policeman, for a raise of pay
was referred to Police and License
committee.

Communication from S. M.
Moore regarding balance of unpaid
accounts was placed on file.

A petition was received from St.
Andrew's Sunday School relative to
the act prohibiting the sale of
cigarettes and tobacco to minors.
Mr. John M. McLean who was
present spoke on behalf of the peti-
tioners and said that something
should be done to stop the sale of
tobacco to minors contrary to the
provisions of the act. He said that
in many cases these sales had been
made through ignorance of the law,
and he desired that publicity be
given to the provisions and penalti-
es of the act. He thought that a
copy of the act posted in a promi-
nent place would bring the matter to
the notice of the merchants.

Councillor Lunan expressed his
sympathy with the petition and
thought that the council should
act on the suggestion of Mr. Mc-
Lean, and even mail a copy of the
act to every merchant in town.

His Worship said that it would
be a better way to hand a copy
personally to the merchants, and it
was resolved to have copies of the
act printed and distributed among
the merchants. Mr. McLean
thanked the council for their cour-
tesy and withdrew. Councillors
Stewart and White then entered the
meeting.

Petition was received from John
Landry for a grocery license to do
business in the Commercial Block.
Referred to Police and License
committee.

The following reports of standing
committees recommending payment
of accounts were received and
adopted.

Councillor Pinault from Public
Property and Streets committee
\$320.58; Councillor Stewart from
Electric Light committee \$639.63;
Councillor Alexander from Water
and Sewerage committee \$47.57;
Councillor Sansom from Public
Charities committee \$118.80.

Councillor Stewart then intro-
duced the matter of the request of
the celebration committee for a
grant of \$430. Messrs. W. H.
Marquis and J. Pichette attended as
a delegation. After hearing Mr.
Marquis and being discussed by all
the members the amount asked was
voted.

The council then resolved itself
into a committee of the whole for
the purpose of apportioning the

OLD HOME WEEK CELEBRATION WILL BE AN UNQUALIFIED SUCCESS

Full Arrangements are Completed to Make the Day One to be
Remembered by Every Visitor.

SPLENDID PROGRAM OF PARADES

The Old Home Week Celebration
on July 11th promises to be a great
success. The town will be in gold
attire and all business houses and
mills will be closed. The day will
be one big round of amusement and
pleasure to hold the attention of
the crowds from early morning un-
til late at night.

The following is the programme
for the day, subject to come slight
changes:

9:30 a. m.—Auto Parade

10:30 " —Opening of New Schools

11:30 " —Polymorphian and
Trades Procession

1:30 p. m.—Baseball Match, Van
Buren and Campbell-

4:30 " —Field Sports and Run-
ning Races,

8:30 " —Band Concert

9:00 " —Fireworks, Illuminat-
ed Boat Procession on the
River

A number of handsome prizes will
be offered by the various committees
which ought to stimulate all to
greater effort in making the day a
success. The Decoration Com-
mittee will award prizes for best
decorated Building and for best
decorated grounds. The Parade
Committee will give two or three
prizes for best floats in parade and
in addition will give two prizes for
decorated autos in parade best re-
presenting some Nation or Special
Character. A little extra time spent
in your preparations may be all that
is needed to make you one of the
winners.

Everything on the programme will
be free to all with the exception of

the baseball game for which an
admission fee of twenty five cents
will be charged. The running races
and field sports will take place on
the baseball grounds immediately
following the game, being thrown
open to everybody.

An event that is exciting a lot of
interest is the five mile running race.
There are a number of entries and
every night the boys are training
hard. This race will be run one
mile on the ball grounds. Ample
amusement will be offered by the
three legged race, sack races, pipe
races, etc., which to fill the cup of
pleasure to overflowing.

On another page will be found the
programme in detail as well as the
train arrangements and all our read-
ers are asked to write their friends
and induce them to come back home
for this big day at least.

The bookstores have on sale some
post cards specially prepared by the
advertising committee, which could
be used with good effect as a re-
minder to absent friends.

Only a few more days remain to
do those things you fully intended
doing when this celebration was first
mooted. You had better start right
now and add your quota to the
general success. Perhaps your yard
needs a little cleaning up or your
lawn mowed, your fence painted.
Do it now. Get that idea in the
back of your head into practical
shape in the form of a float for the
parade. Don't lose it. Take time
by the forelock and order your re-
quirements in bunting, flags and
lanterns at once. Everybody get
busy.

amounts to be assessed for the cur-
rent year. Councillor Ellsworth
occupied the chair.

This year's assessment were very
carefully gone into the various
chairmen cutting down their re-
quirements to the lowest possible
figure.

The discussion was interesting at
times with regard to the collection
of arrears and the matter of dis-
counts, the feeling of the council
being that overdue taxes should
bear interest at the rate of 5 or six
per cent., which is likely to be done
this year.

The following is a list of the
amounts required by the different
departments.

Assessment for year 1912.
Public Property & Streets \$ 5,750
Street Lighting 1,250
Schools 6,500
Fire Protection 4,000
Board of Health 500
Maintenance of Police Force 3,200
Salaries and Contingencies 3,600

PRESENTATION TO SCHOOL MASTER

A Bathurst despatch of Saturday,
says: This morning a representa-
tive gathering of business men met
at the White House, Bathurst, and
presented Hugh Harrison, principal
of the Grammar School, with a
beautiful leather traveling bag. The
presentation was made by B. C.
Mullins, who in a few well chosen
remarks expressed the regret of the
people of Bathurst at Mr. Harrison's
removal to Chatham, where he has
accepted the position of principal
of the Grammar School. Messrs.
Burns, Bishop, McKay, Veniot and
others also gave expression to the
loss Bathurst sustained at the depart-
ure of one of the best principals
Bathurst has ever had.

Sinking Fund 7,500
Interest on School bonds 1,200
Total \$83,500

The sum assessed last year was
\$30,000 but when we remember
that in this year's assessment the
sum of \$7500 has to be raised for
a sinking fund, the amounts re-
quired are less than last year. The
rate will probably be around 1.60
per cent.

The letter of the Board of Health
was then taken up with reference
to the connecting of sewers and
the Board were instructed to pro-
ceed against any who refuse to act
when requested.

His Worship brought forward
the matter of the proposed bridge
between Restigouche and Bonaven-
ture and stated that a delegation
from Bonaventure and Gaspé de-
sired to meet with the Council and
the Board of Trade to arrange
matters. This meeting will be
held on Friday 12th inst. Council
then adjourned.

will repay you many, many times over.

the interest of the Campbellton Graphic. We
are going to make the paper so necessary to

honest effort.

JOHN HACHIE KILL- ED BY LIGHTNING

Three Men Struck on the To-
bique Road During Thurs-
day Night's Storm

A storm of thunder and light-
ning struck this locality on Thursday
evening with unusual severity. No
damage to buildings was done but
one distressing fatality is recorded.
Three young men named Hachie be-
ing overtaken by the storm while
walking on the Tobique Road were
struck by lightning. A teamster
driving to town found the three
men lying on the road and on pro-
curing assistance was horrified to
find John Hachie a young unmarried
man had been killed outright while
the other two were unconscious.
The dead man was removed to the
morgue while the other two were
hurried to the Hospital where on
enquiry this morning they were re-
ported to be making favorable pro-
gress toward recovery. The dead
man's clothes and boots were all
torn by the lightning but beyond a
slight bleeding from the nose no
marks were found on him. The
other two were not injured bodily
but were rendered unconscious by
the shock.

The body of John Hachie still
remains at the morgue and as he
has no known relatives the remains
will likely be taken charge of by the
county authorities.

FAKIR ON THE CORNER

A fakir selling watches and chains who had
been doing the various settlements between
here and Bathurst drifted into town Saturday,
procured a licence then proceeded to (sich)
the hard earned dollars from those "easy"
marks who are to be found in every town.
He sold dollar watches for \$2 and ten cent
chains for \$1.00. This sort of fakir should
not be allowed to open up at all and the
town authorities should guard against it in
future. We trust the matter of fakirs at the
coming circus will be dealt with in a firm
manner.

OUT OF COURT

The case of the Bank of New Brunswick
vs. Jos. Boudreau, tried in St. John this
week was arranged out of court.
