## NEEDS OF LIBRARY

Annual Meeting of Association Held.  
—Officers Elected.—Personal  
And Social Notes.

Lawrencetown. Cold days keep one  
busy attending to the homes fires so  
it is not very easy to dig items out  
of the snow.

Mrs. Freeman, Bridge St., has been  
in Halifax, for some time. She is  
always so kind and cheerful that we  
hope she will soon return to Law-  
rencetown.

Mrs. Fenwick Morris had a fall on  
the ice near her home, and sustained  
painful injuries.

Mrs. Ruth Beals is at present with  
Mrs. Morris.

Miss K. Bancroft has returned to  
Ananda. Miss Bancroft received an  
address and gift from the ladies of  
the choir, in sincere appreciation of  
willing and efficient service in the  
choir.

Rev. Mr. Purdy spent a few days in  
town. This gentleman is working in  
the interest of the Girls Home, Truro.  
As usual our generous people always  
help in any good work. Mr. Purdy  
was much pleased with our Lawrence  
town.

Mr. Charles Balcom has had a se-  
vere attack of illness.

Ronald Shaffner is getting over his  
severe illness.

Mr. McNatt, piano tuner, visited  
town last week. He spent a busy time  
as there are many musical instru-  
ments in the homes.

The clam supper in the vestry of  
the Methodist church was very enjoy-  
able. A good amount of money was  
taken.

Thursday evening, though very cold  
was the time appointed for the "At  
Home" of the Library. It was well  
attended. The speakers for the oc-  
casions were Rev. R. Miller. All were  
interested in subject of the address.

Miss Musgrave gave a fine musical  
treat during the evening.

A number of young men have de-  
cided to attend the Short Course to  
be held on Monday.

Some very comfortable homes will  
take students to board on reasonable  
terms.

Mrs. W. Palfrey is spending some  
time in Truro.

Mrs. (Dr.) Primrose has had an at-  
tack of severe cold, but is now bet-  
ter.

Mr. W. Brown, well known in town,  
died on Thursday. He had been in  
poor health for a long time. He leav-  
es a widow and one son. Funeral  
was on Saturday.

Mrs. William Hall attending to  
some clothes line in her garden slip-  
ped on the ice, fell and lay uncon-  
scious for some time. When her mot-  
her went to see if she had returned  
to the house, saw Mrs. Hall lying on  
the snow. Help came and the injured  
lady was revived but very badly hurt.  
It was rather unfortunate as all the  
doctors had been called away. Mrs.  
Hall is still unable to leave her room.

The annual meeting of the Law-  
rencetown Library Association was  
held in the Assembly Hall of the De-  
monstration Building Thursday eve-  
ning. A large number of patrons and  
friends of the Library assembled. Dr.  
J. B. Hall presided.

The treasurer's report was pre-  
sented by Mrs. J. B. Hall and showed a  
balance on the right side. Rev. A. H.  
Whitman, presented the report of the  
Book Committee, and Mrs. C. S. Mc-  
Lear submitted the Librarian's re-  
port. The reports emphasized the  
need of more money for the purchase  
of good books and it was suggested

## FOX BREEDERS MEET TUESDAY

Business of Special Importance Comes  
up Before Nova Scotia Associa-  
tion.—Importance of In-  
dustry Locally.

The Nova Scotia Fox Breeders As-  
sociation held a special meeting here  
on February 10th, with both after-  
noon and evening sessions. This will  
be the third meeting of the Associa-  
tion held in Bridgetown within the  
past twelve months. Bridgetown was  
one of the first places in Nova Scoti-

to commence ranching of silver black  
foxes, the first four pairs arriving  
here in September 1912. In 1914 130  
pairs were sold from these for \$7,000  
each. The largest amount received  
from any single pair shipped from this  
county was \$508.00, received by the  
Valley Silver Black Fox Co., this pair  
being the third choice from a liter-

of five. From the small beginning  
in 1915 the fox business has increas-  
ed rapidly until today Annapolis  
County is not only the banner county  
in the Province but has more silver  
black foxes than all the other coun-  
ties combined. There are now ninety  
ranches in which the number of foxes  
range from 1 pair to one hundred  
pairs. A. B. Clarke, of Bridgetown,  
owns with D. G. Harlow, of Torbrook,  
second. There are in all about one  
thousand pair of foxes in the County.

The Canadian Fox Breeders Associa-  
tion have decided that this is to be  
the last year to register foxes from  
unregistered stock. The Nova Brus-  
wick Association at a recent meeting  
took objection to this decision and  
wish to extend the time another year.  
The question of the extension of time  
for registering foxes from non-regis-  
tered stock will be a live one for dis-  
cussion at the meeting to be held here  
next week. The matter of royalty on  
pelts and a number of questions of  
particular interest to fox breeders  
will be brought up, and there will also  
be a report from the committee  
appointed at the last meeting to draft  
a set of by-laws for this Association.

from Boston last week, to remain for  
a few weeks.

Mrs. Alice Jones returned to  
Bridgetown after spending a month  
with her sister, Miss Mary Fletcher  
Gesner.

The crossing at Tapperville is ex-  
cellent now, both walking and in  
sleigh. Quite a number came over to  
Upper Granville church to service  
Sunday.

Miss Mildred Wheelock was a week-  
end guest of her friend, Miss Cora  
Parker.

Mr. Reggie Longley, wife and child,  
have been the guests of his father  
and brother, Clarence, for a few  
weeks.

Glad to report Mrs. Ernest Bent,  
who has been under the care of a  
doctor for two weeks, very much im-  
proved.

The annual "At Home" of the Ang-  
lican congregation took place on Feb.  
3rd.

Miss Jennie Parker is visiting her  
sisters, Mrs. Lallert and Mosley,  
Nichols of Aylesford. Her niece, La  
Von Nichols, who has been since New  
Years, down with her grandmother.  
Mrs. I. J. Parker, returned with her.

Elizabeth Wade has been down  
with her grandmother, Mrs. Florence  
Wade, since her aunt, Mrs. Robt. Mc-  
Kay broke her arm.

DeWolfe and Jodrey of the R. A.  
Jodrey & Co., Wolfville, were in Belle  
isle and bought several carloads of  
apples last week.

**OBITUARY.**

**Wallace Rumsey.**

The death occurred Monday morn-  
ing, January 26th, of Mr. Wallace  
Rumsey, an aged and respected citi-  
zen of Paradise. Mr. Rumsey had been  
in poor health for some time and suc-  
cumbed from a severe attack of the  
grippe.

The deceased was 84 years of age  
and leaves to mourn his loss two  
daughters, Mrs. (Dr.) A. H. Thomason,  
of New York, and Miss Amy at  
home, who have the sympathy of the  
entire community in their sudden  
bereavement.

The funeral services were conducted  
at the home on Wednesday after-  
noon by Rev. W. S. Smith. Interment  
took place in the family lot, Paradise.

**KING'S FINEST BARN BURNED.**

Canning.—Fire of unknown origin  
at 8 o'clock Friday destroyed the  
\$15,000 barn built by the late Sir  
Frederick Borden at Woodside, two  
miles from Canaan, and consumed  
the contents, consisting of 130 tons of  
hay, two horses, two cows, a tractor  
and other implements.

The structure, 165 x 65 feet square,  
was considered the finest of its kind  
in Kings County. It was owned by  
Mrs. Leslie Macoun, daughter of the  
late Sir Frederick. Mrs. Macoun is in  
France, where her daughter is attend-  
ing school, and her husband is in Ot-  
tawa.

There was some insurance on the  
building, but the amount carried is  
not known here.

## ENTERTAINMENT AT RECREATION HALL.

Next Tuesday evening, Feb. 10th at  
eight o'clock the Baptist church will  
give their concert and entertainment  
at the County Institutions Recreation  
Hall. Among the features is The Poty  
Gruff Album. Persons suitably attri-  
dred for occasion will pose. The Labor  
Song will be another feature. A good  
programme has been provided. Ad-  
mission 35 and 25 cents.

At Lower Granville a large  
party of invited guests assemb-  
led at the home of Mr. and Mrs.  
David M. Foster on Tuesday evening,  
January 27th, it being the fiftieth  
Anniversary of their marriage. The  
esteemed couple stood under an arch  
very prettily decorated and received  
the hearty congratulations of their  
many friends.

This being over E. H.  
Porter was asked to make an address  
before the party of survivors who at-  
tended the marriage of this honored  
couple fifty years ago.

Mr. Porter spoke of the institution  
of marriage. The Creator after making  
man after his own image, discover-  
ing his loneliness took from his side  
a rib to construct woman—not from  
his head to be ruled over or his feet  
to be co-equal with him and the two  
to be subservient, but from his side  
to pursue the passing of life side by  
side. He spoke of the marriage of  
this couple as one of the happiest ex-  
periences of his life and there sketched  
the wonderful things accomplish-  
ed in the fifty years just transpir-  
ed—referred to the unique character  
of this occasion—the worthy pair with  
their three children with them to  
join in doing honor to their estim-  
able parents, the oldest son holding  
a very important and lucrative posi-  
tion with a big concern in the city  
of Lynn—the daughter very happily  
married and residing in that city—  
the youngest son with his parents to  
assist, care for and solace them in  
their declining years—closing with  
expressing a sincere wish that Mr.  
and Mrs. Foster might be spared to  
see many more years—and ultimate-  
ly when their ways on earth had  
ended that they hear the welcome  
"Well done Good and Faithful Servants  
enter into the joy of your Lord."

Mr. Roscoe D. Foster the oldest son  
then spoke very feelingly and appropri-  
ately attributing his success in life  
largely to the excellent training  
from his godly parents—said it was  
good to be here and see so many of  
his old friends and acquaintances  
and wished them all the blessings  
they could possibly desire.

MUSIC followed and then a splendid  
collation was served. Pleasant con-  
versation followed and near midnight  
the company dispersed.

The presents were on a table and  
amongst them we noticed \$20 gold  
piece by Roscoe, \$5 and \$10 gold pieces  
by the daughters, \$25 gold piece men  
in the shop at Lynn. This with gold  
and paper by the rest of the party  
made a total of \$317.

Mr. and Mrs. Joseph Foster, and  
Mr. and Mrs. Ralph Berry, of  
Bridgetown, Mr. and Mrs. Chas. Fos-  
ter of Berwick, Capt. and Mrs. John  
Woodworth of Bear River, attended  
the Foster Golden Wedding.

Thus ended one of the best func-  
tions ever occurring in these parts.

**GRANVILLE CHOIR ENTERTAINED**

The choir of the United Church,  
Granville, were entertained at the  
home of Mr. and Mrs. William Morse  
on Thursday evening, Jan. 29th. Af-  
ter a pleasant evening spent in so-  
cial intercourse, delicious refresh-  
ments were served by the hostess.  
The members of the choir were very  
pleased to have with them their lead-  
er, Mr. Richard Ray, who has recover-  
ed from his recent illness. All join-  
ed in wishing Mr. and Mrs. Morse a  
happy and prosperous new year.—  
(Cont.)

**NEW FIRE ENGINE REACHES BER-  
WICK.**

Berwick.—The new chemical fire  
engine recently purchased by the  
town has arrived and is being set up  
ready for use. It is mounted on a  
Ford ton truck, and has twin tanks  
of a capacity of forty gallons each,  
and is expected to give good satisfac-  
tion.

This is the first step in the move-  
ment to provide the town with more  
effective fire protection. B. A. Dakins,  
fire chief, will have charge of the en-  
gine.

**A. J. MORRISON WILL REBUILD.**

Middleton.—A. J. Morrison, who lost  
his business block by the recent fire,  
has decided to rebuild next summer.  
He will construct a two-story build-  
ing of cement blocks accommodating  
four stores, each having a separate  
concrete fireproof wall. The propos-  
ed new building will be a decided im-  
provement on the one just burned  
both in appearance and utility.

**LACK CONFIDENCE IN  
SISTERS, A PARIS VIEW.**

A Paris newspaper, remarking that  
there are millions of women voters in  
Britain, and that only four women  
members have been elected, says:—  
"The one conclusion which can be  
drawn from this is that women have  
greater confidence in men than in  
themselves in matters of government.  
It is sometimes to be regretted that  
they do not apply this opinion in mar-  
riage as well as in politics."

**FIRE NARROWLY AVERTED  
AT BOWLING ALLEY.**

Annapolis Royal.—The quick work  
of the proprietor, E. Mulise, prevented  
what might have been a serious fire  
Saturday afternoon in the Bowling  
Alley. The staircase leading to the  
basement became ignited owing to  
the overheated furnace pipes. With  
the exception of the dense smoke  
which filled the building no damage  
was done and no alarm was given.

## PERSONAL MENTION

One of the nicest courtesies you  
can show your friends is let them  
learn through this column of your  
visit whenever you go away. Let  
us know when you have visitors  
at your homes. The Monitor will  
consider it a courtesy whenever you  
give us an item of this kind.  
Write or phone No. 12 or 102.

Mr. A. P. Sooton visited friends in  
Bridgetown and Grandville last week,  
en route to British Columbia, where  
he has property in various parts of  
the province.

Mr. J. Herbert Hicks left today for  
Halifax to attend the insurance Con-  
gress.

Mr. Roger Feindel spent the week-  
end with friends in Annapolis.

Mr. Fred W. Beattie, of J. T. Irwin  
staff, Birch Grove, is visiting in town

Gilliat, for a few days.

Mr. Loran Crowell, who has been  
on the Royal Bank staff here for  
about three and a half years, most of  
the time as teller, has been transfer-  
red to Westville and leaves for the  
dusky diamond burg on Friday. He is  
succeeded here by Mr. A. E. Brans-  
combe of Fredericton. Mr. Crowell  
took an active interest in athletics  
here in hockey and baseball and his  
departure will be regretted.

ficiently filled the position of oper-  
ator at the Western Union here for the

been operator at Berwick for a short  
time past.

The many friends of Mr. Wylie  
Burns are pleased to see him able to  
resume his duties again after being  
most seriously ill for several weeks  
with pneumonia.

Mr. Henry Prat arrived home on  
Tuesday last on a visit from Need-  
ham, Mass.

Gordon LeBrun, who sustained very  
painful injuries to his arm by a fall  
is improving gradually in health at  
Victoria General Hospital, Halifax.

His mother, Mrs. Thomas LeBrun has  
been in the city the past few weeks  
so as to spend all time possible with  
him during his stay in hospital.

Miss Idora Crowell, who has been  
for a number of years a teacher in  
Saskatoon, has been visiting here the  
past week, the guest of her sister,  
Miss Gladys Crowell at Mr. and Mrs.  
E. C. Hall's.

Mr. and Mrs. Charles Foster of Ber-  
wick were guests last week of Rev.  
and Mrs. P. R. Hayden.

Copiousness of words, however  
ranged, is always false eloquence,  
though it will ever impose on some  
sort of understandings.

A man from the Maritimes

chocolates. The latter produced  
Moir's and to jolly him the cus-  
tomer said: "Surely those aren't  
your best—they're no good."

The merchant replied: "They're  
not, eh? Well, let me tell you,  
they're so well liked by my cus-  
tomers I'm dropping all other  
makes."

She: You never bring me  
chocolates like you did before  
we were married.

He: Did you ever hear of a

after he caught it?

## NEWSY NOTES FROM ANNAPOLIS

Death of Two Well Known and High-  
ly Respected Residents.—Civ-  
Matters.—Period of Dark-  
ness Over.

Annapolis Royal.—The death of  
George Henry Hardwick, a well  
known resident of Upper Clements,  
took place at his home on Saturday  
afternoon, Jan. 24th, after a long ill-  
ness. The deceased was the youngest  
of three sons, of the late Henry P.  
and Maria (Fleet) Hardwick, and was  
born at Moschello, sixty-nine years  
ago. The brothers, Robert Leslie  
Hardwick, Mayor of Annapolis Royal  
in 1905 and 1906, and Charles L. Hard-  
wick of Upper Clements, passed away  
some years ago. Mr. Hardwick was  
first married in Nov. 1882 to Elizabeth  
McNeil of Port Hood, C. B., who died  
about ten years ago, and in Feb. 1921,  
he married Mrs. Rachel (Wagstaff)  
Mallman, who survives him. He is al-  
so survived by two children of his  
first marriage—Mrs. Florence Mc-  
Keown, of Deep Brook, widow of  
Charles McKeown, who died overseas,  
and Ralph, residing at Marblehead,  
Mass., four grandchildren, four step-  
sons and a step-daughter. The fune-  
ral took place on Tuesday afternoon  
from his late home, with interment  
at Woodlawn Cemetery.

Word was received in town Satur-  
day of the death at Granville Ferry  
of Mrs. Blanche Williams, who is well  
remembered in Annapolis Royal,  
where she resided a number of years,  
ago, with her nieces, the Misses Lillian  
and Ethel Johnson (now Mrs. Ballie  
of New Windsor, Md.) and her neph-  
ew, Harold Johnson. The late Mrs.  
Williams was a native of Granville,  
daughter of the late Samuel and Rachel  
(Ray) Pickup, and a half-sister of  
the late Hon. S. W. W. Pickup, and  
was about seventy years of age. She  
had been three times a widow—her  
last husband, Rev. Mr. Williams be-  
ing drowned, while on a fishing trip  
over twenty-five years ago.

The Sanctuary Guild of St. Luke's  
church, met for the first business  
meeting of the season at the home of  
Mrs. G. A. Hawkesworth on Tuesday  
evening, when the following officers  
were elected: Honorary President,  
Mrs. M. DeBlots; Acting President,  
Mrs. Edgar McCormick; Treasurer,  
Miss S. Cunningham; Secretary, Mrs.  
T. H. Fortier.

Nomination day passed off very  
quietly—the Mayor and three Coun-  
cillors being elected by acclamation,  
and the Town Council for the coming  
year will be constituted as follows:  
Mayor, George A. Hawkesworth;  
Councillors F. C. Whitman, F. M. Dar-  
gile, Herbert Layton, Arthur Kelsall,  
L. M. How, and W. A. Livingstone. Mr.  
Hawkesworth is not a stranger to the  
Mayor's chair, having occupied it in  
1912 and 1913. Mr. How of the En-  
tomological staff and Mr. Livingstone,  
harrister, are both new-comers in the  
Council. Mr. Kelsall had served the  
past two years and was re-elected.

Mrs. C. W. Jefferson of Bear River,  
is the guest of her sister, Mrs. E. W.  
Robinson, accompanied by her little  
sons, John and Charlie.

Miss Helen Farnsworth of Hampton  
is spending a few weeks in town and  
is a guest at the home of Mr. and Mrs.  
H. R. McKay.

Miss Thelma Matheson, a resident  
of Annapolis for the past two years,  
returned to her home in Halifax on  
Wednesday.

Miss Pearl Beeler has been the  
guest of friends in Bridgetown.

Mr. Nelson Patterson, of the local  
Entomological staff, is inspecting or-  
chards in the vicinity of Middleton  
and Kingston.

Mr. L. M. Fortier has returned from  
Windsor, where he had accompanied  
his son, T. H. Fortier, who is a patient  
at the Payzant Memorial Hospi-  
tal.

Mr. R. L. Daniel, who was trans-  
ferred from Annapolis, Ont., to An-  
napolis Royal, in 1915, and remained  
here a year before enlisting for over-  
seas service, was renewing old ac-  
quaintanceships in town on Tuesday.

The Annapolis Academy Hockey  
team, comprising Frank Bateman,  
Melbourne Ritchie, Wilfred Riley,  
Gordon Macintosh, Arnold Mahoney,  
Robert Riley, Douglas Macintosh and  
A. Cross, went to Bridgetown on Mon-  
day, and were defeated with score of  
4-2.

Mr. Gerald McElhinney of Windsor,  
is assisting Mr. T. M. Backler in the  
Customs office, until the appointment  
of a regular assistant to replace Mr.
