The series includes in six successive volumes the whole art of boat-building, boat-rigging, boat managing, and practical hints to make the ownership of a boat pay. A great deal of useful information will be given in this Boat-Building series, and in each book a very interesting story is sure to be interwoven with the information. Every reader will be interested at once in "Dory," the hero of "All Adrift," and one of the characters to be retained in the future volumes of the series, at least there are already several of his recently made friends who do not want to lose sight of him, and this will be the case of pretty much every boy who makes his acquaintance in "All Adrift."
