Notice.

We have organized the following departments in connection with the B.C. MINING RECORD, with the view of forwarding the interests of our many readers, especially those living in the mining districts:

Enquiry Department.

In connection with the B.C. MINING RECORD we have established an "Enquiry Department" for the purpose of furnishing information about the mining resources and mining industries of British Columbia to parties outside the Province who may desire to obtain the same. For this we make no charge, but, on the contrary, will only be too glad to reply to any communications addressed to

ENQUIRY DEPARTMENT,

B.C. MINING RECORD,

Victoria, B.C., or

Vancouver, B.C.

Publishing Department.

Readers of the B.C. MINING RECORD wishing to obtain any work on mining, metallurgy, geology, assaying, etc., may procure the same by addressing

PUBLISHING DEPARTMENT,

B.C. MINING JOURNAL,

Victoria, B.C., or

Vancouver, B.C.

Purchasing Department.

For the accommodation of our readers and others living in the mining districts we have opened a "Purchasing Department" in connection with the B.C. MINING RECORD. In this we will act merely as a medium between buyer and seller—we keep no stock of goods on hand. But it frequently arises that people living in the mining districts require articles which they are unable to obtain near home, and which they do not know where to purchase. If these parties will write to us, we will either inform them where the articles can be had and the price of them or we will place their order with some respectable firm. As we have an intimate knowledge of the trade, not only in the Coast cities, but also in Eastern Canada, the United States and England, parties writing us may be assured that if any article they require can be obtained we will get it for them. Where parties know the price of the article they should enclose a post office order for the amount, and we will forward the article. In such cases the express, postage or freight should be added, as we charge no commission to those ordering through us.

We will be glad to furnish descriptive catalogues, price lists, etc., of machinery and supplies from the best houses in British Columbia, Eastern Canada, United States and England, and thus put mine owners in possession of the most varied and best information to be had in that direction.

Because we make no charge for this work, parties should not hesitate to write to us. Address either of the following offices:
