THE TRADE REVIEW
AND
Intercolonial Journal of Commerce.

MONTREAL, FRIDAY, JULY 30, 1893.
Purchasing Department of the TRADE
REVIEW. See Advertisement.

The laying of the French Atlantic Cable has been
successfully accomplished, adding to the facilities
for trans-oceanic communication. It may be taken for
granted that cable after cable will henceforth be laid
under the Atlantic as fast as they may be required,
and each time with greater certainty of success.

A letter in reply from Mr. Brydges to Mr. Leadley
is published, in which the former, while not absolutely
condemning the narrow gauge, and offering to take
stock in the proposed Toronto narrow gauge railways,
gives it as his decided opinion that, so many miles of
broad gauge being already in operation, it would be
best to have all new roads built of a corresponding
gauge for facilitating on the new roads the use of
rolling stock already owned by the old roads and for
the ready transfer of freight from one to the other.

RAILWAY RETURNS FOR JUNE.
THE statement of the traffic for June is more com-
plete than usual, the only Railways from which
returns have not been received being the Carillon
and Granville, the Stanstead, Shefford and Chambly,
and the Nova Scotia. The total receipts, as compared
with those for 1892, are as follows:—
June, 1893.....\$919,271
June, 1892.....\$92,225
Increase 1893.....\$117,046
or nearly 15 per cent.
To this the Great Western has contributed \$35,005.

TO THE
WHOLESALE TRADE
OF MONTREAL.
—
MESSRS. R. A. HOSKINS & CO.,
OF TORONTO.

HAVING decided to give up their Importing Dry
Goods Business, and establishing a JUBBING,
COMMISSION and AUCTIONEERING BUSINESS,
beg to draw the attention of the Montreal merchants
generally to the facilities which they will have for
disposing of any consignments entrusted to their care
for sale, either privately or at auction.

The premises they occupy have been used as a
wholesale dry goods warehouse for the past fifteen
years, are situated in the centre of the wholesale
business part of Toronto, are well lighted and com-
modious, so that any goods sent for sale will be
shown to the same advantage as if in the store of
their owner.

The services of a competent Auctioneer will be
engaged, a person worthy the confidence of the
buyer as well as the seller. A sufficient staff will be
retained to keep stock in good order, and all con-
signments will be well advertised, and all sales
catalogued.

Liberal advances made upon consignments.
Prompt returns will be rendered.
They purpose holding their first sale between the
fifteenth of August and first of September, as the
season may open up, for which they respectfully
solicit consignments.

the Grand Trunk \$19,240, the Northern \$18,370, the
Welland \$4,806, the Cobourg and Peterboro' \$3,940,
with smaller amounts by several of the other roads.
On the other hand, the Port Hope has decreased
\$4,615, and the Brockville and Ottawa \$5,245.
The steady increase in the total traffic is of a very
gratifying character, and indicates a corresponding
progress in the country.
