It Made 25/52 Mother Strong

"My mother has been using PAIN'S CELERY COMPOUND for nervous prostration, accompanied by melancholia, etc., and it has done her a world of good. It is the only medicine that strengthens the nerves." G. H. BEERS, Orbisonia, Pa.

"I am in my 64th year. Have been afflicted in several ways—could not sleep, had no appetite, no courage, low spirits. I commenced using Paine's Celery Compound, and felt relief from the third day after using it. I now have a good appetite and can sleep well. My spirits and courage are almost like those of a young man." S. C. KINKAID, D. D., Gonzales, La.

Paine's Celery Compound

Strengthens and builds up the old, and cures their infirmities. Rheumatism, indigestion and nervousness yield quickly to the curative power of Paine's Celery Compound.

A Perfect Tonic and Invigorator, It GIVES NEW LIFE.

"I am now 69 years old and have tried several remedies, but none had any effect until I used Paine's Celery Compound. I feel entirely different for the short time I have used it. I can walk nearly straight, sleep sound and well, and feel as though there was new life and energy coming into my whole system." H. MYLIUS, Cleveland, Tenn.

Paine's Celery Compound is of unequalled value to women. It strengthens the nerves, regulates the kidneys, and has wonderful power in curing the painful diseases with which women so often silently suffer.

30/52 CATARRH.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and eustachian tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite—of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. N.B.—For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of one cent in stamps. The address is A. H. Dixon & Son, 303 King Street West, Toronto, Canada.—Scientific American.

sufferers from catarrhal troubles should carefully read the above.

Household Hints.

TO THE DEAF.—A person cured of deafness and noises in the head of twenty-three years standing by a simple remedy, will send a description of it free to any person who applies to NICHOLSON, 177 McDougal Street, New York.

"Best cure for colds, cough, consumption is the Vegetable Pulmonary Balsam. Cutler Bros. & Co. Boston. For \$1 a large bottle sent prepaid."

SUFFERING HUMANS.—read Carbolic Smoke Ball advertisement. Cures diseases of the Nose, Throat and Lungs. See page 306.

TO SOOTHE A COUGH.—Fresh milk boiled with cut-sugar will soothe a cough when other things fail.

THERE ARE MANY COUGH MIXTURES, but only one Allen's Lung Balsam; try it.

A TRUSTY FRIEND.—Perry Davis' Pain Killer. Safe to keep and to use in every household.

HOT water is better than cold for bruises. It relieves pain quickly, and by preventing congestion often keeps off the ugly black and blue mark.

THE PERFUME we consider to be at once the most delicate and most enduring—"Lotus of the Nile."

IN HABITUAL CONSTIPATION, Campbell's Cathartic Compound is used with great success.

TO RELIEVE HICCOUGH.—A noted practitioner recommends tightly closing the ears by pressure and taking several sips of cold water to relieve hiccoughs.

MANY PEOPLE LIE

awake nights suffering from acute dyspepsia, caused by eating food in which alum and other cheap Baking Powders are used. The most reliable is Imperial Cream Tartar Baking Powder.

PEEL THE WHITE END.—Peel the white end of the asparagus, and you will find that it will boil perfectly tender, thus making the whole stalk eat able.

LIQUID BLUING AND WHITEWASH.—When using the ordinary old-fashioned whitewash of slaked lime, add a small quantity of liquid bluing. It will give it a pearly white tint.

A PRETTY dish of eggs is made by beating the whites very stiff and piling them upon a platter. Make little nests in the froth, in which lay the yolks. Set in a hot oven for two or three minutes.

AN excellent way to clean old brass is to use ordinary household ammonia, unadulterated, and rub with a brush. This will leave the metal clear and bright. It should then be rinsed in clear water and wiped dry.

The Difficulty Experienced

in taking Cod Liver Oil is entirely overcome in Scott's Emulsion of Cod Liver Oil and Hypophosphites. It is as palatable as Milk, and the most valuable remedy that has ever been produced for the cure of Consumption, Scrofula and Wasting Diseases. Do not fail to try it. Put up in 50c. and \$1 size.

We Are Prepared to Prove that Imperial Cream Tartar Baking Powder contains no alum, ammonia, phosphate or any impurity or adulterant, but is made of very best Crystal Cream Tartar, and English Bi-Carb Soda.

HORACE COOLIDGE, of Frankfort, N.Y., took a severe cold, which settled on his lungs. He was confined to his bed, had pains in his side, profuse sweats and restless nights. He expected to die. He was completely restored to health by using WISTAR'S BALSAM OF WILD CHERRY.

HERMITS.—One and one-half cups of sugar, one cup of butter, one cup of stoned raisins chopped fine, a teaspoonful each of cloves, cinnamon, allspice and a heaping one of baking powder, three eggs, three table-spoonfuls of milk, and flour enough to roll out nicely. Cut thin, and bake quickly.

APPLE TRIFLE.—Peel, core, and boil till tender a dozen tart apples, with the rind of a lemon grated; strain through a sieve, add sugar to taste and put into a deep fruit-dish. Make a custard of a pint of cream and the yolk of two eggs with sugar to taste. When cold, lay it over the apples with a spoon, and over the whole place whipped cream.

Eggs can be kept perfectly for six months, by coating each one with the white of egg. Apply it with the finger so that every spot is touched. Then pack the eggs in a box, in any position you wish, putting a layer of paper between every layer of eggs, and set the box away in a cool, dry place. The white of one egg will coat from eight to ten dozen. I have tried this recipe for five years, and have never known it to fail.

There is some satisfaction in FARMING when a farm produces a good living, a handsome profit and at the same time is making its owner rich by increase in value of land on account of growth of towns, building railroads, and influx of settlers; in no part of the country is this so true as of Michigan and Pennsylvania. Soil is very rich, best of markets near at hand, no destructive blizzards, cyclones, but health, fine farming opportunities, and a home and fortune can be had. Address O. M. BARNES, Land Commissioner, Lansing, Mich.
