NOT AN EVIL.

"When it comes to choosing the least of two evils we generally choose the one we like best. There are no evils to decide between in sound life insurance, but one might choose the company he likes best. Do it."

"Yes, patience is a specific for many troubles, but there is no specific for family poverty that can anywhere near equal a good life insurance policy. This specific should be in every moral medicine chest everywhere. Is it a part of your cabinet of things needed in emergencies?"

The compound investment plan of that successful company, the North American Life, whose ratio of assets to liabilities and consequently of net surplus to liabilities exceeds that of any other Canadian company, is admirably adapted to meet the requirements of all classes of intending insurers.

Full particulars regarding this and its other advantageous plans of life insurance can be had by addressing Wm. McCabe, Managing Director, Toronto, Ont., or any of the company's agents.
