### MEETING OF SYNOD.

WE beg leave to draw the attention of our readers to the fact of the near approach of the meeting of the Synod of the Presbyterian Church of the Lower Provinces in connection with the Church of Scotland. The high Court of our Church meets this year, by rotation and by appointment, in St. Matthew's Church, Halifax, at 7 o'clock, P. M., on the last Wednesday of June. As matters of vast importance to the church are to be taken up, it is exceedingly desirable that all members will give punctual and regular attendance; and we feel assured that our church people in Halifax and neighbouring places will take that interest in the proceedings which they deserve, and that they will manifest the same in two ways: (1), by being present in court as often and as long as they possibly can; and (2), by extending their hospitality to members of court who come from a distance. Arrangements are in course of being made so as to render every one comfortable; and as there is never any difficulty in procuring from the good Kirk people of Halifax a share of their spacious homes and a place in the congeniality of their warm hearts, we hope that measures will be so carried out in the proper quarters that none shall be left unsuitably provided for. It should be remembered that without some *method* it will be impossible to accomplish this. We therefore draw the attention of ministers and others at a distance to a notice given below, and hope that they will see the necessity of attending promptly thereto. If the arrangements therein suggested are acted upon, the object will be gained, and the comfort and convenience of all concerned will be very much promoted.

### NOTICE.

The Halifax Presbytery, at its last meeting, appointed the members resident in the city to make arrangements for the approaching meeting of Synod. It is therefore requested that Clerks of Presbyteries for and, as soon as possible, to Rev. Mr. Grant or Rev. Mr. Campbell, the names of all ministers and elders within the bounds who intend to be present. The attending to this will ensure the comfort of all, and assist the Committee to make the proper provision, and also prevent any one being disappointed.
