* Bid.

Since our last report the market for the miscellaneous list has improved, and prices are much better, with a good business doing. The strongest stocks are Street Ry. and Cable, both of which have had a good advance and look like going higher. Toronto Ry. has also advanced, and we look for higher prices for this stock. It is reported that the Company will pay 2 per cent next div., and should they do so,—and we have no doubt they will,—the stock should be worth \$5 at least. At \$5 the stock will yield over 4½ per cent to 3½ per cent. div. for the year. Gas stock is dull, with very little doing, but ought to be a purchase about to-day's prices. We look upon Gas as the cheapest of the miscellaneous list. Cotton stocks are dull, with

very little doing. Bank stocks are dull and a little easier, most of them are selling ex dividend, and there is very little demand. The market looks a purchase on every decline at present.

PERSONAL MENTION.

MR. A. W. ROSS, M.P., has been appointed general manager for the Province of Ontario for the Colonial Mutual Life.

MR. ROBT. P. TEMPLETON, of the head office staff of the Manchester Fire, has been appointed assistant manager of the Toronto branch.

MR. D. MORGAN SLETON, for many years Claims Agent for the Canadian Pacific Railway, has been appointed joint agent of the Manchester Fire Assurance Company, with Mr. John Wm. Molson.

MR. WALTER JONES, chief clerk of the British Empire Mutual Life Assurance Co., has just returned from England. There are few better known men in the British Empire than friend Jones.

MR. H. S. MALLETT, Foreign Superintendent of the Manchester Fire Office, on his return from the States, was presented with a valuable silver from his ex-colleagues in the London & Lancashire head office.

MR. WM. STAFFORD, the well known insurance agent, formerly connected with Mr. Walter Kavanagh's agencies, has been appointed agent of the Hartford & Manchester, which are represented by Mr. J. W. Molson.

MR. A. M. THORBURN has been appointed Secretary of the United States branch of the Sun Insurance Company as successor to Mr. J. J. Purcell, who has been promoted to the position of Assistant Manager to Mr. J. J. Guile.

MR. W. H. HILL, District Manager for the Sun Life Assurance Company at Peterboro, Ont., was in the city during the past week. Mr. Hill reports business about as usual in his district. Without intending to flatter, we wish there were more like Mr. Hill connected with the insurance business in Canada.

THAT VETERAN UNDERWRITER, MR. A. H. TURNBULL, F. I. A. and F. F. A., Manager and Actuary of the Scottish Widows Fund Life Assurance Society, Edinburgh, Scotland, who has been visiting some of the principal cities in the United States and Canada, spent a few days in Montreal during the past week. The Scottish Widows was established in 1815; it has accumulated assets of over £12,000,000 stig. He was greatly impressed with the evidences of the solidity, wealth, and attractive appearance of this city. Mr. Turnbull, who was accompanied by his son, has left for Scotland.
